

MFT Street Contracts Ok'd By GC Council

Action Deferred On
\$97,000 Resolution To
Build New Street

Contract awards for three street improvement projects to be carried out with \$55,878 motor fuel tax funds were approved Monday night by Granite City council members, who also deferred action on an MFT resolution calling for \$97,000 to create a new street off Fehling road.

Streets to be improved include 18th street, which is to be resurfaced from State street to Madison avenue; State street, which is to be resurfaced from the south city limit to 18th street, and Spruce street, which is to be paved from St. Louis street to West 20th street.

A. H. Seibold Co. was awarded two of the three contracts for the Spruce street project which is to include an asphalt surface, concrete curbs and drainage.

State Street Bids
The other successful bidder was Alpha Asphalt Co., East St. Louis, \$21,481 for installing an asphalt surface on State street from 14th to 18th street. Only other bidder on that project was MacLair Asphalt Co., East St. Louis, in the amount of \$22,031. The engineers' estimate was \$21,607.

Other bidders on the Spruce street improvement were Rees Construction Co., East St. Louis, \$25,801, and G. H. Sternberg & Co., Granite City, \$26,385. The estimate was \$31,286.

Sternberg Co. also was a bidder on the 18th street project with a \$10,584 proposal. The engineer estimate was \$10,162.

\$97,000 For New Street
The MFT construction resolution calling for \$97,000 to be spent to create a new street north off Fehling road was handed to Alderman Charles Meyer, chairman of the Ordinance committee, by Alderman Walter Noon.

Read by Meyer, the resolution specified construction of a 26-foot wide street north of Fehling road to a point close to the new Big Top Bowling Alley where it would turn east to join Yarnwood road.

Atty. Fred P. Schuman, who was seated in the audience, was called upon to speak on the resolution. Several months ago he had requested passage of the resolution for the project to be declared a part of the city's arterial street system. This resolution was approved.

Serve New Shopping Center
At that time, Schuman explained the street would serve a new million-dollar shopping center being planned north of the Kroger store by Leuders Realty and that the center could not be developed if the street was not provided. Local subdividers objected, saying they were required by the city to install streets in newly developed areas.

During Monday night's meeting, Schuman pointed out the construction resolution could have been passed at the same time as the arterial street resolution, and that the proposal had been discussed with the Board of Local Improvements.

He added that the street through cooperation with the state and county could be constructed at less cost.

Robt. Dron, Electrical Firm Head, Dies At 71

Former Madison Village
Board President; Led
Effort To Buy Bridge

ROBERT DRON, Granite City electrical contractor, who died early today.

Daylight Thieves
Loot Wm. Seibold
Home On Bradley

Brazen daylight burglars hauled away household furniture, clothing and jewelry valued at several thousand dollars Tuesday morning from the home of William Seibold, 3204 Bradley avenue, in Leuders Park Estates subdivision. Time of the burglary was between 7:30 a.m. and 12:15 p.m.

Seibold, an officer in the Mrs. Seibold Bake Shop firm, told police his wife was in the hospital and the house was unlocked during the hours it was looted. The daring thieves drove either a truck or auto into the garage adjoining the house and after taking their time in loading it with items, drove off undetected.

House Sets Alarm
The house is the only one facing Bradley avenue, although there are homes on either side of Fehling road and Colgate avenue. Neighbors were interviewed, but few leads were uncovered.

Once in the garage, the burglars pried open a door leading from the garage into the kitchen. Hauled away were a model television set, a 21-inch television set, a collection of 75-long-playing records, a gray mink stole, an assortment of jewelry, a vacuum cleaner, a set of golf clubs and a golf cart, a number of cultured pearls, two men's jackets, hankies, and a 25-foot section of plastic garden hose.

The thieves also had placed a bowling ball in a piece of luggage and had disconnected the sewing machine in an apparent attempt but left them in the house.

Venice Magistrate To
Go On Salary Next Week

Venice Police Magistrate Wesley Edwards will make the transition next Monday from fee position to a salaried office, it was learned from his yesterday.

He was elected to a new four-year term April 18. He has designated tentatively the first day of his new term Monday, 6 p.m. Thursday and 10 a.m. Saturday. He will be on call at other times, and will be called upon to handle cases according to the volume of cases coming before him.

The magistrate will continue to conduct hearings in the council room of the Venice city hall, Broadway and Klein street.

Louis S. Klammer, elected as Madison police magistrate April 18, has been unavailable for comment and is reported to be on vacation. Plans for conducting the Madison office have not yet been announced.

Flexibility Is Theme of SIU Campus—Morris

"Nothing should be more subject to change and evolution than our concepts of education," Dr. Delroy W. Morris, president of Southern Illinois University, told members of the Northwestern Illinois Council for Higher Education who met Tuesday night in the new Edwardsville Junior high school building.

Residents Will Lose Hour's Sleep Sunday

Two a.m. becomes 3 a.m.
Sunday morning in the
Quad-Cities.

The change marks the beginning of a six-month-long observance of daylight saving time in most communities.

Although the official change-over to "fast time" will occur at 2 a.m. Sunday, most residents will advance watches and clocks one hour upon retiring Saturday night.

The hour of sleep lost in providing for an extra hour of daylight through the summer and early fall will be regained on Oct. 1, when clock pieces are turned back one hour, and standard time is resumed.

Head of State Contractors
At the time of his death he was governing the Illinois chapter of the National Electrical Contractors Association, and was a member of the First United Methodist Church in Granite City.

Surviving are two daughters, Thelma and Patricia, whose husband is a physician at Champaign, Ill., and Mrs. Wesley (Dorothy) Lomas, whose husband is vice-president of the electrical firm, and five grandchildren. His wife, Eva, died on March 23, 1960.

Funeral arrangements are being made in the obituary column.

First Press-Record
Four-Color Ad Today

Today's Pepsi-Cola advertisement found on page 25 of the first issue of a new newspaper reproduced by the Press-Record. One and two-color ads are being printed in the Press-Record plant.

Normally, four-color ads are reproduced only in major metropolitan newspapers and are not used for special equipment required to produce newspaper printing of this complexity.

The current Pepsi-Cola ad is one of a series of color ads sponsored by the Pepsi-Cola Adm. Board, Co. of Alton which run each month in the Press-Record.

Classrooms Initial Goal
Dr. Morris said the initial goal for the new campus is to build 12 to 15 classrooms or be used undivided to accommodate 180 students. This room size can be changed to "adjust to changing or shifting enrollments," he told council members.

Multiple Problems
Dr. Morris said the multiple problems the construction of the new campus include zoning, highway access, housing, sewage disposal, and water supply among others.

Many of them affect not only the campus but also the area which surrounds the campus, he said. "What kind of countryside do you want to drive through on your way to the campus?" Dr. Morris asked, then answered the question himself by stating that the campus surroundings should be in harmony with the campus itself.

Of course, in talking about zoning," he said, "There already have been meetings with city and county political divisions on

CD Drills Tomorrow In GC, Madison; 'Storm' Saturday

Granite City and Madison civil
defense headquarters will operate
command posts as the nation
participates in an attack
alert beginning at 3 p.m. Friday,

when whistles and sirens will sound. Then, on Saturday afternoon, a full-scale storm alert will be conducted in Madison.

By order of the Federal Communications Commission, radio and television broadcasting will be silenced from 3 to 3:30 p.m. tomorrow, with the only messages given on "Conrad" radio frequencies of 640 and 1240. The term stands for "control of electromagnetic radiation," used to confuse bombers or missile guidance controls while providing a channel for information and instructions to the public.

The communications drill will emphasize that all families should be prepared to survive for two weeks following an emergency attack without outside help. Points to be stressed are learning warning signals and what to do when they sound, building a radioactive fallout shelter and stocking it with food and water, and taking a first aid course.

Radio Club, Recreation Center
Coordination of local civil defense units with the county and mutual aid area control centers at Edwardsville and Swansea also will be tested by the drill. Points of activity will be the Egyptian Radio club, Chouteau Slough road, for the Granite City staff and the basement of the Madison recreation center for the Madison staff.

Those in charge will be Mrs. Valerie Evenden, operations officer, and George W. Schumacher, Madison staff.

Contracts awarded on low bids total \$88,777 for general construction by the Nelson Construction Co., St. Louis; \$21,285 for plumbing and heating work by Reiser Plumbing and Heating, East St. Louis; and \$10,587 for electrical work by Rite Electric Co., Granite City. Architectural fees of 4 1/2% on extending the existing plans to \$10,587, and \$10,587 for the firm of Henry Gabriel and Sylvester Dalgorn will supervise the construction.

The board authorized alternatives relating to inclusion of the fifth and sixth rooms at Maryville, but eliminated all that specified cost beneath concrete floor slabs. It was noted that the main Maryville and Wilson Dalgorn buildings will not be rock under the slabs.

Source Of Funds
Dr. Kaiser said funds will be derived from \$24,557 earned in investing previous construction bond funds; \$14,946 additional interest on building fund tax funds; \$16,000 from selling the Liberty school; \$27,000 in specific items deleted from 1960-61 building fund proposals; and a \$50,000 contingency item in the building fund.

"Since the major portion of the school year has been completed, it is imperative that the agencies occur it should be possible to use money remaining in the building fund for the construction of the elementary school additions. Otherwise, the additional money will be placed in the 1961-62 budget," he commented.

Board Member Monroe Worthington said separate plans for building and heating contracts were requested but that Reiser submitted a combined bid. He urged that steps be taken in the future to ensure that all bidders have equal opportunities.

A discussion brought out that some contractors oppose combined bids because they are only in the heating business or only in plumbing work. Possibility of combined bids was not listed for

Value of Service By Civic Award Winners

Award Highlights
An added presentation during
the Civic Award dinner was a
U. S. Treasury Department
gold medal, signifying 20
years of service to the savings
bond program, awarded to Karandjeff by Harry C. Wood, area
representative. Marking its 20th
year May 1, the program has
attained sales approaching \$100
billion through the efforts of
such dedicated volunteers.

Karandjeff, the citation related, Madison county board chairman, the recipient also headed the Southern Illinois drive several years ago.

Vice-Chairman Wensel Brown, Madison school superintendent, substituted for A. William Morris, III, chairman of the award committee, who was reported to be flying to Los Angeles for a business conference with James Stewart, the motion picture actor. Also absent were Granite City Mayor Leonard Davis, chairman of the Southern Illinois Illinois mayors' organization, who was attending a meeting of that group; and Madison Mayor Stephen Maers, who left yesterday morning for Memphis, Tenn., on a short vacation trip.

On behalf of Morris, Brown explained the rules under which the award committee operates. He announced that it has added three members as replacements for Rev. Dr. A. Ralph Lynn, Mrs. Peter Evangelical and Thomas A. Sullivan, who have moved from the community. New members are Edwin C. Schmitt, one of last night's two recipients; Rev. Robert Baumann, pastor of the city's Trinity Lutheran church; and Sidney W. Morris, vice-president of the Mercantile Mortgage Co. Brown will serve as chairman for 1961.

One of the shortest of the evening's many talks was given by Maurice Rich, president of the Associated Retailers and Business Association, who welcomed the gathering that filled the Granite City hall. He said the association enjoyed a fine dinner and a fine evening of entertainment.

Those in charge will be Mrs. Valerie Evenden, operations officer, and George W. Schumacher, Madison staff.

Solons Hear Talk By Proponent Of Fluoridation

Equal time for a proponent of fluoridation was given Monday night by Granite City council members who last week heard a talk by an opponent, Louis Hicks of St. Louis.

The proponent was a Granite Cityan, William McGee, 3132 Davis avenue, a chemical engineer with 15 years experience and a student of fluoridation.

Council members, who following the talk last week rejected a motion calling for preparation of a fluoridation ordinance, took no action after McGee's talk and went on to other business. Last week's defeat of the ordinance preparation motion was based on a 6-to-5 tie vote of the council and a "no" vote by Mayor Davis.

Father Of Five
McGee stressed he was the father of five children who would benefit from fluoridation of the city water supply and added that as a chemical engineer he knew the amount of fluoride placed in the water system could be controlled extensively. Fluoride at the rate of one part per million parts of water is not harmful, but would reduce tooth decay for children and adults alike. He added that mottling of teeth pointed to by objectors occurs in fluoridation of 10 cases and is minute, taking an expert to detect.

He added the cost is low, less than 40 cents per person in a year's time. "That's far less than the cost of having one tooth filled."

McGee stressed that fluoridation of public water supplies is legal and causes no interference in industrial operations. Fluoridation, he added, has been endorsed by the Tri-City Dental Society and the Tri-City Medical Society. "Those are the people I depend on to look after my family."

Decisive Victory At Polls
"Voters have decisively indicated they are in favor of fluoridation. It won by a larger margin than many candidates."

"There's no reason for Granite City to drag this will do so much good at so little cost."

McGee was questioned by Alderman Rufus LeVander, who said he was being bombarded with literature against fluoridation, stating that fluoride was a waste and was poisonous.

The chemical engineer told the alderman that fluoride was a chemical — sodium fluoride — and that if taken in a large quantity would be poisonous. He said that to be poisoned by fluoride in a public water system, it would be necessary for a person to drink 50 bathtubs of water at one time. "You'd drown before being poisoned if you did that," he said.

Cancer Drive Goes Over \$5800 Mark

The fund count for the Quad-Cities cancer crusade has gone past the \$5800 mark, with some collections yet to come in, Mrs. A. H. Seebold, drive director, said today.

The total includes proceeds from a Venice house-to-house canvass led by Mrs. James Miller, in which \$228 was collected. A tabulation from the month-long Madison canvass is yet to be made, and is expected sometime next week, according to Mrs. C. M. Wood, chairman.

More than \$2500 was collected in the canvass in Granite City, Mrs. Seebold said. The overall campaign, which began April 5, will end Sunday.

Over 600 women volunteers, aided by organizations, participated in door-to-door drives. Funds still coming in consist of mail solicitations to business, industry and organizations and from canisters placed in business places by the Long Lake Armet Post 187.

Of the total to date, \$1300 was donated by the welfare club of Dow Metal Products and \$200 was received from the firm's management, Mrs. Seebold said.

Final tabulations may come sometime next week, she said. Volunteer workers, according to Mrs. Seebold, in conducting solicitations have encountered "a pleasant attitude from residents in giving and complimented their willingness to donate." Proceeds will be used for cancer patient care and research.

PRESCRIPTIONS ARE THE MOST IMPORTANT PART OF OUR BUSINESS

20th St. Sewer Repair Job Halts; City Prepares To Act

Repairs to the 51-inch sewer line under East 20th street, halted over the weekend in a disagreement over responsibility for dewatering the line, was the topic of a caucus session of the Granite City council Tuesday evening.

City Atty. William Beatty said he had notified the bonding firm of the contractor, Granite Concrete & Construction Co. of Kansas City, Mo., but did not expect a reply from them for at least a week or 10 days.

Beatty said the bonding firm could either take over the contract and assign another firm to do the job or refuse to continue it.

Contact Other Firms

Council members decided for the city engineers to begin, unofficially, to secure cost figures from other granite firms to continue the job. City Engineer David Johnston said the city could be sued if the work was not carried out and delayed completion of the 20th street widening and repaving project under a state contract.

Outlining the problem, Mayor Davis said a conference with the Kansas City contractor was held last Friday. He wanted us to pay the \$100,000-day cost of dewatering the line. "I told Beatty to notify the firm we would not pay the cost, and they pulled off of the job and sent the city a telegram saying they planned to sue us under the contract."

"We asked what the final cost of the repair project would be and they told us approximately \$100,000. We're here to discuss what should be done."

The mayor called upon City Resident Engineer Al Pearson for comments.

State Demands Repairs

Pearson pointed out it had been estimated the sewer repair job, which was demanded by the state highway department before the widening and repaving of 20th street, would cost \$43,000 to \$50,000.

"We insisted the firm send in a representative to look over the job before they bid and gave them all available information, including what the city had on file, the reports compiled under the master sewer and drainage program and data from Granite City Steel Co., big user of the sewer line," Pearson said.

He reported that the contractor already was removing the pipes installed for dewatering the sewer line so it could be relined with a two-inch layer of concrete installed under pressure.

Procedure Outlined

City Engineer Johnston said the repair project definitely could be carried out, block by block.

Attorneys To Stage Mock Trial At School

Local attorneys will stage a mock trial beginning at 1:30 p.m. Monday at the Granite City high school auditorium in observance of Law Day.

The lawyers, members of the Illinois Bar Association, will demonstrate direct and cross examinations, and cover all aspects of a trial during a one-hour period.

Students of government will appear on the jury and steps in selecting and swearing in the panel will be shown.

Purpose of the trial is to acquaint junior and senior high school students with functions of the lawyer in the community and to acquaint them with the workings of laws.

Attorneys participating will be John Dufner, Randall Robertson, Horace Calvo, Morlin Eliscu, and George Moran. City Judge Fred P. Schuman will preside.

The case to be tried involves a damage suit growing out of a traffic fatality.

Haller Renamed Chairman Of County Board

Gus Haller continued Tuesday his long stand as chairman of the Madison county board of supervisors. He was elected to his 25th consecutive term, a record believed to be unsurpassed in the state and nation.

Haller, an assistant supervisor from Wood River township, was elected unanimously during the board's reorganization meeting held in the new board room in the courthouse at Edwardsville.

Among the new board members seated were Robert O. Gaughan, who was appointed assistant supervisor of Granite City township Monday night by the city council to fill the vacancy created by the election of Nelson Hagmann to the office of supervisor; Milton R. Allen, also assistant supervisor for Granite City township; and Jay D. Maurer, assistant supervisor for Venice township. Allen and Maurer were elected April 4.

GC Woman's Mother Dies; Services Set For Tomorrow

Mrs. Josephine Ontko, 58, Edwardsville, mother of a Granite Cityan, died yesterday morning at St. Elizabeth's Hospital, Belleville, apparently of a heart attack. She is the mother of Mrs. Thomas (Margaret) North. Services are to be held at 9 a.m. tomorrow at St. Cecilia Catholic Church, Glen Carbon, with burial at Buck Road cemetery.

Push Mowers Stolen

Two push-type lawn mowers, one large and one small, were stolen from the basement of the home of Nora Roberts, 2200 State street, according to a report made Tuesday morning.

Police were told the theft could have occurred during the past several months. The basement door was entered through an outside doorway.

Boy, 12, Bitten By Dog; Girl, 2, Injures Ankle

Larry Garcia, 12, son of Mr. and Mrs. Michael Garcia, 851 Alton avenue, Madison, was treated for puncture wounds on his left leg after he was bitten by a dog yesterday. He was given an inoculation at 7 p.m. and released from St. Elizabeth Hospital.

Felicia Kalps, Two-Year-Old Daughter Of Mr. and Mrs. Leo Kalps, 2300 Wilson Avenue, Sustained Abrasions And Bruises On Her Left Ankle, Caught In The Spokes Of A Bicycle. She Was Treated And X-Rays Were Taken

It's the uncommon man who uses common sense that causes the world to sit up and take notice.

Kerner Oks Engineering Degrees For SIU

A bill authorizing Southern Illinois University to grant engineering degrees was signed Monday at Springfield by Gov. Otto Kerner.

Mower Stolen Off Porch

Harry McClure, 2110 East 20th street, reported to Granite City police Monday afternoon that a 2 1/2-horsepower mower had been stolen off the back porch at his home over the weekend.

Vandals Ransack Stallings School

Vandals spilled ink, ran water in the basement, ransacked desks in six classrooms, smashed two radios and stole 30 cents from a desk in the office at Stallings grade school on Route 162 Monday night. Entrance was gained through a window on the west side of the building after the school was closed at 8:30 p.m.

The custodian, F. M. Culpen, discovered the break-in Tuesday morning. Ink was poured on the floor in the gymnasium and the furnace room also was ransacked.

Speeding Ticket

Peggy M. Finazzo, 28, of 2720 Saratoga avenue, was issued an arrest ticket yesterday evening by Granite City police who charged her with speeding. She posted her driver's license as bond.

Weed Fire

A weed fire at 2800 Michigan avenue was extinguished yesterday afternoon by Granite City firemen. No loss was reported.

Granite City PRESS-RECORD
Page 6 Thurs., April 27, 1961

Troop Leaders Finish Scout 1st Aid Course

Twenty-three Girl Scout troop leaders yesterday completed a five-week course in Red Cross first aid. Instructor was Mrs. Cecelia Trachsel, also a troop leader.

Conducted at the St. John United Church of Christ, 2801 Nameoki road, the course was taught in preparation to summer camping activities.

Leaders learned to perform emergency treatment of fractures, wounds, burns, snake and insect bites, to apply bandages and to give artificial respiration. During the final class, demonstrations were held, while in earlier classes leaders were learning methods.

Taking the course were Mesdames Jean Lucido, Lorraine Ranft, Velma Farrance, Helen York, Zoe Christakos, June Tindall, Jean Lohrger, Helen Schwendman, Helen Romanic, Virginia Jenkins, Mary Studevant, Ethel Gittelman, Gladys Green, Jeri Schieb, Mae Gottfried, Mary A. Weiss, Wilma McQuinn, Helen Miller, Virginia Killoran, Betty Wallace, Martha Bollinger, Virginia Blanton and Edna Bono.

Name 4 Teachers For Next Term; Action On Bids

Four teachers for the 1961-62 school year were hired at Tuesday night's meeting of the Granite City school board.

They include two replacements for present faculty members, Miss Rosemarie Boggett, Madison, and Miss Elizabeth Ann Lawler, Nokomis, Ill., graduating in June from the University of Illinois, will teach junior high and high school German.

Miss Betty Jane Rambo, Murray, Ky., graduating in June from the college there, will serve as an elementary teacher, with the exact assignment not yet specified. Also hired as an elementary teacher was Mrs. Joy Taylor, 2422 Woodview avenue, 1954 bachelor degree from Western Illinois University and two years teaching experience. A resignation effective at the end of this term was accepted from Miss Lorene Ramsey, 3200 Wahash avenue, Coolidge junior high physical education teacher, who plans graduate study.

The board authorized two GCHS student trips. Delegates will attend an Illinois Association of Student Councils meeting in Chicago today to Saturday, and the advanced mixed chorus will visit Champaign and Chicago May 26-28.

Purchase Lawnmowers
The board accepted a low bid of \$468 on supplying six 21-inch power lawnmowers at \$78 each. The Braunscamp firm of Granite City. Movers will be replaced at GCHS and McKinley, and the advanced mixed chorus will visit Champaign and Chicago May 26-28.

Both the mower and roof repair bids were opened Tuesday night. Bids of \$1322 from Quarry Roofing and \$1350 from Geisler Roofing of Belleville were rejected, with new bids to be sought on improving the GCHS auditorium roof.

A long discussion on the GCHS music wing roof brought out the fact that the flashing has been repaired at a cost of \$100, with a two-year guarantee obtained, but that some minor leaks still are developing due to nails put into the roof in error by a contractor several years ago. School Engineer Marvin Dean, saying the last of the nails eventually will appear and be repaired, advised against complete re-roofing of the music addition. Board Member Homer Huber said the roof leaks are staining hallway walls.

Fluorescent Lights
Acting on bids tabulated from a previous opening, the board awarded to the Dron Electric Co. furnishing and installation of 40 fluorescent light fixtures at the Nameoki school at \$2375, furnishing and installing 25 fluorescent light fixtures and in-plant outlets in the GCHS radio shop at \$1433; and supplying and installing a duplex outlet in GCHS Room 224 at \$54.

Another low electric bid, \$366 from Rite Electric Co., was accepted for installing 26 school-owned fluorescent fixtures at Mitchell school.

A low bid of \$165 from Crafts Tools, Inc., was accepted on furnishing an art press and bench for school use.

Printing Supplies
Reviewing printing supply bids, the board made purchases amounting to \$899 from Wood River Printing; \$642 from Davis Printing of Granite City; \$499 from the King Co. of Granite City; \$185 from Tri-City Printing and \$274 from Crest Business Forms.

Board Member Ralph Fricker noted that low bids on printing were not adhered to in some of the recommendations and was told that the listings were based on what to retain your balance.

CAROLYN SPARKS
1961 Mayor Queen

MAY DAY CORONATION ceremony at Granite City high school May 11 and 12 will honor this royal trio, chosen in balloting at the school. The new queen and her attendants will reign over the traditional May program presented by girls' physical education classes. (All photos by Hollywood-Andrews Studio).

GERALDINE STRAKA
Second Attendant

MAY DAY CORONATION ceremony at Granite City high school May 11 and 12 will honor this royal trio, chosen in balloting at the school. The new queen and her attendants will reign over the traditional May program presented by girls' physical education classes. (All photos by Hollywood-Andrews Studio).

Carolyn Sparks To Be Crowned At May Day

Miss Carolyn "Cookie" Sparks, 18-year-old top senior at Granite City high school, will reign queen at the Homecoming program last October. Her royal court will include Miss Sharon Reinhardt, first attendant, and Miss Jeraldine Straka, second attendant.

School Activities
Miss Sparks, the daughter of Mr. and Mrs. Thomas Sparks, 2626 East 27th street, is a participant in such school activities as the Red Peppers, student council, and Senior Leadership. GAA manager and cheerleading captain.

She has been an attendant to the wrestling team queen, a Roca Club "sweetheart," and YMCA Teen Town queen.

Miss Reinhardt, 17, is the daughter of Mr. and Mrs. Elmer Reinhardt, 2905 Iowa street.

Vice-president of the school band, she is secretary of the National Honor Society, represents the school on a junior fashion board and is a member of the Modern Music Masters.

Also a Roca sweetheart and an attendant to the wrestling queen, Miss Reinhardt is a member of the Senior Girl Scouts.

Miss Straka, 17, daughter of Mr. and Mrs. Joseph Straka, 2454 Delmar avenue, is a member of the National Honor Society, a "Candystriper" and a Missouri Beauty contest finalist.

Active in Masque and Gavel, honorary speech group, she has had leading roles in the Homecoming and senior class plays and received the "top actress" award for her part in "Father Knows Best."

Burglars Steal 100 Records From Juke Box

A burglary at Mary's tavern, Pontoon Beach, took a new twist Monday night when thieves smashed open a juke box and took money but to steal 100 records.

The burglars also ransacked a good score on the backbar, taking 24 half-pints of assorted whiskey, three fifths of whiskey, 10 bottles of assorted wines.

Taken from display cards in the tavern, according to the report Tuesday morning to Deputy Sheriff William Thompson, a dozen key rings, a dozen "cigarette lighters and six "fancy" screwdrivers. Entrance was gained by forcing a rear window.

Deputy Thompson also investigated Tuesday morning a break-in at American Phosphate Co. office on Maryville road, after being notified by the foreman, Samuel McGowan. A glass in the rear door was broken to gain entrance, and the intruders ripped out wires to the telephone. Nothing was taken.

In some cases on groupings rather than individual items, A Collinsville Herald bid was disregarded because its price was contingent on acceptance of at least ten items, and it was low on only four.

Action was withheld on bids from Tri-City, Wood River and Collinsville to special forms pending a clarification of the delivery schedule. It was reported that numerous trips by the printers would be necessary on athletic programs. President Robert Spengler said a representative of the Wood River firm lives here, and plans were made to query the Collinsville firm.

Bills approved totaled \$57,371 under the educational fund, \$1588 building fund, \$85 transportation fund and \$1696 new construction fund.

Weigh your words carefully if you wish to retain your balance.

SATURDAY PARADE in West Madison will honor Miss Ernesine Myers, who won the title "Miss West Madison" last year. Parade will begin at 2 p.m. at the Dunbar school, Third and Jackson streets.

Parade To Honor 'Miss West Madison'

An automobile parade led by a convertible carrying the newly-elected "Miss West Madison" will be held in the Madison area beginning at 2 p.m. Saturday.

Holder of the title is Miss Ernesine Myers, daughter of Mrs. Betty Miles of 805 Bissell street, West Madison, and a sophomore at Madison high school. She was selected from among six candidates last Friday night during a dance and coronation ceremony held at the Dunbar school.

The contest, sponsored each year by the Dunbar PTA, dates back to 1958, and previous titleholders, together with the current queen's court, will also ride in the parade, which begins at Dunbar school and will include Third, Bissell, Weaver, College, Meade, Market and 12th streets. Madison and McCambridge avenues, Broadway and the Lovejoy area along its route.

Son Born To Mr. And Mrs. Kozikowski

Mr. and Mrs. Richard Kozikowski, 2339 Edwards street, are the proud parents of a son born Monday at St. Elizabeth Hospital. The new arrival weighed eight pounds, eight ounces and has been named David Richard. Mrs. Kozikowski is the former Juanita Edwards, a daughter of Mr. and Mrs. Lloyd Edwards, 2559 Edwards street. The paternal grandparents are Mr. and Mrs. Walter Kozikowski of Bayonne, N. J.

The man who spends all his affection on himself seldom has a friend to call his own.

2 GC Student Council Members At State Meet

William Ridings, president of the Granite City high school student body, and Larry Tolbert, member of the student council, are attending the three-day state student council convention in Chicago. The convention opened today.

They are among more than 900 delegates and advisors from schools throughout Illinois. Theme of the conference is "The World: Main Street of Tomorrow."

Discussion groups are to cover topics of "The Home," "The School," "The Community," "Brotherhood Among Men," and "The Youth of Today." During the 27th state convention, elections of 1961-62 officers are to be held. A banquet and dance is planned.

Guest speakers include Gerald M. Van Pool, assistant state secretary for student activities and a member of the National Association of Secondary School Principals, and Rev. Balfour Patterson, Episcopal chaplain at the University of Colorado.

Break-In Attempt

William Thresher, proprietor of Thresher Service Station, 14th street and Edwardsville road, reported to Granite City police Tuesday morning that an attempt had been made to pry open a door at the station. Entrance was not gained.

GO TO CHURCH SUNDAY

PRESSURE GROUPS CAN ENDANGER HIGH CALIBER OF GC SCHOOL SYSTEM
Mr. C. E. Townsend, Editor
Dear Corby:

The editorial on the new School Board members and officers was an excellent and representative statement for all of us in the community who value an outstanding school system.

The school system exists only for the purpose of preparing our children to be completely trained, to fit society and to give them the foundation to become the future leaders of our community. The school system cannot and should not be a play thing or political organization to be manipulated by the Board or its members.

The elected board of citizens are expected to lend their wisdom and talents to the creation of an atmosphere of confidence and service to enhance and inspire the professional educators responsible for administering the schools, and to encourage professionally trained teachers to achieve greater success in educating the children.

As an industrial executive and former educator, the status of the school system is of considerable importance to me. When I came to this area, I made it my first duty to learn the standing of the area schools in the state system as they compared to those of the surrounding areas including those in Missouri.

Since 1953 I have leaned heavily upon the Granite City school administrators and teachers for assistance in training our employees and in establishing courses early in the high school grades to prepare our future employees. I have always had the utmost cooperation and assistance, and I have been proud of this cooperative relationship.

Our professional administrators are above the caliber of those in most school systems. I have worked with in the past. They will need the sincere cooperation and assistance of the new School Board members and officers.

We sincerely hope that these new members will rise to the responsibility of their new positions. Their training, experience and interest in school affairs indicates that they are capable of doing an outstanding job and that only remaining thing it will take is THE WILL.

I hope they have the will to put the welfare and future of our schools above the influence of pressure groups and disgruntled individuals.

We are interested in the future economic, social and cultural development of the Granite City area. That future will not rest on the many beneficial aspects of our community as much as it will on the caliber of our schools.

A great university is in the making in Madison County. Therefore, it is incumbent on our School Board, the professional educators and the citizens to make sure our children are prepared in the atmosphere of a harmonious professionally administered school system.

The future of Union Station and Refining Company is contingent upon the city having an outstanding school system.

Sincerely yours,
JOHN MCBRIDE
Vice-President and General Manager
Union Station & Refining Co.

CLERK UNION PRAISES FIRM'S STAND ON SUNDAYS
Mr. C. E. Townsend, Editor
Granite City Press-Record
Granite City, Illinois

Dear Mr. Townsend: I wish to take this opportunity through the forum to thank the F. W. Woolworth Co. and the local Manager Mr. Gene Lichstein for their spirit of cooperation and foresight in placing a sign in their store window against Sunday operation, certainly the spirit of this giant chain company is to be commended. We hope that the Merchants who have Sunday opening in mind will take notice and change their thinking on the matter.

Yours very truly
HETTY SHEPPARD

THE PASTOR'S PEN
Editor "The Forum"
Granite City Press-Record
Granite City, Illinois

Dear Neighbor: We have a new addition to our family. He is of noble birth. He has the strength of a Shepherd... the wirey tenacity of a terrier and the friendliness of a Collie. He may have a few other strains... but those of noble birth we know. Our family has gained some new inspiration with his coming. He is Debbie's puppy.

Readers are invited to contribute to this column. Name and address must accompany each communication, but identity of author will not be revealed if anonymity is requested. Letters should be 250 words or less.

room upon returning from school to see if her dog had arrived. It never came.

Debbie continued to pray and seek. A few weeks ago a friend dropped in to see us on some business and within the children's room length away from us but in some way she managed to catch the drift of the matter.

Immediately her little heart burst with joy and she said: "That's my puppy! That's my puppy! Daddy, can I have it?" So into our family came this new addition of noble birth.

What is important? It is the faith of Debbie in believing that asking God in faith she would receive. We could get into a deep theological mood... but the truth of the matter is the little of faith once again. "All things whatsoever ye shall ask believing, ye shall receive." May God bless you.

REV. JOHN N. DIGIACOMO, D.D.

QUOTES DICTIONARY ON FLUOROSIS
Editor,
Granite City Press-Record

Sir: I have before me two books, the contents of which point the finger of self indictment of the fluoridation scheme.

The two books... the 1959 Webster's New Collegiate Dictionary and a pamphlet distributed by the American Dental Association entitled "Answers to Critics of Fluoridation."

On page 319 of Webster's Dictionary, we find the definition of the word Fluorosis and I quote: "Fluorosis: An abnormal or poisoned condition caused by fluorine, as the spotting of the enamel of teeth caused by too much fluorine in the drinking water." Let me repeat... Fluorosis is an abnormal or poisoned condition caused by fluorine.

Now then, if the Dental Association's pamphlet, here is their quote, word for word.

"The assertion. 4. Fluorides cause an unsightly staining of the teeth. The fact is... It is a well known fact that high concentrations of fluorides found naturally in public water supplies may lead to a condition known as dental fluorosis, often called mottled enamel. In such areas, the degree of dental fluorosis may be such that the dental enamel readily picks up stains which discolor the teeth."

Where the drinking water contains a concentration of 1 ppm fluorine (the amount they recommend we drink), "there is evidence of a very mild degree of dental fluorosis in less than 10% of children using such water."

What has happened to the moral fiber of anyone who endorses something which, by their own admission, will poison up to 10% of the children drinking fluoridated water?

I submit that the only cure they may be extended to those who favor this horrendous proposal of fluoridation... of poisoning our children... a scheme which is easily condemned by the utterances of its own peddlers, is that they have either been deceived or, more probably, they simply cannot help themselves.

QUESTIONS LEGALITY OF WAGE-FIXING
The Forum,
Granite City Press-Record,
Granite City, Ill.

The Globe Democrat FREE SPEECH FOR INDUSTRY editorial called attention to an interesting difference in the attitude of law toward labor and management.

Another question along this line has been bothering me. Let me first state that I am 100% for the anti trust laws, and 100% against monopoly. There is a big move in Gov't. to look into the price fixing and monopolistic conditions that appear to have mushroomed into industry. They don't want manufacturers to get together and fix prices of their products.

Yet labor can hold a meeting, discuss how much they want for their product, and set a fixed price on it of \$2.00 per hour, or whatever the group votes for. And afterwards, you cannot buy their product from any member except at a fixed price.

The question "Why is this illegal for the factory owner, but legal for the worker in the factory?" They both have something to sell, one can fix the price, the other cannot.

Yours very truly,
OMAR MIDDETT

B&PW THANKS SCL FOR DONATIONS
Miss Vera Winterberg,
Treasurer Southern Illinois Citizens' League

Dear Miss Winterberg: Inadvertently, public acknowledgment, recognition, and thanks were neglected of the donation on the part of the Southern Illinois Citizens' League to the Committee on Public Affairs of the Quaker Business and Professional Women's Club toward the successful dinner at which we had the distinguished honor and rare

ICC Sets Hearing On Rail Crossings In GC

(Special from Springfield)

The Illinois Commerce Commission announced yesterday that a hearing has been set for Tuesday morning on a city of Granite City petition calling for repairs to all railroad crossings within the city.

Notices were sent to the city and to five railroads which have street crossings within the city.

privilege of having as our guest of honor and speaker, the Honorable Otto Kerner, Governor of the State of Illinois.

Perhaps, this is one of those instances referred to in our program as "acts of omission" about which we asked all to be charitable. I trust this public acknowledgment and humble thanks will, in some measure, compensate it was, and which, without them, it could not have been.

Cordially yours,
ALDERWOMAN GABRIELLE A. BETTENCOURT, Chairman of Public Affairs, Quaker-Business and Professional Women's Club.

Local SIU Students Practice Teaching

Two local students at Southern Illinois University in Carbondale are in a group of 196 arranged in student teaching during the spring school term.

Miss Fran Isaac, 1600 Ames avenue, is teaching art in the Granite City elementary schools and Morris Barefield, 307 Meredith street, Madison, is instructing in mathematics in University school in Carbondale.

Student teaching is a degree required for those planning a career in education. Under the plan the student works in an actual classroom situation for one or more quarters under the supervision of the regular teacher and the department of teacher training of the university.

Broadway-Third Mishap

Minor damage resulted from a collision at 3:30 p.m. Tuesday at Broadway and Third street, Venice, between the autos of Robert H. Fleischauer, St. Peter's, Mo., and Robert N. Jarrett, 1144 Rhodes street.

TRY A CLASSIFIED AD

Lions Plan Party, View Slides of Russian Trip

Venice Lions hold a dinner meeting Monday evening at the American Legion Home, with 28 members present. President John Pier was in charge of the business meeting, and plans were completed for the annual "ladies night" to be held on May 6 at Augustine's, Belleville.

Miss Alice Purdes of Madison, vocal music teacher in the Venice schools, was a guest for the evening and showed the club slide pictures of her tour of Russia last year. Following the films, a question-and-answer period was held.

NEWSPAPER AWARD from Department of the Army is presented to staff members of the Granite City Engineer Depot, "Graniteer" by Depot Commander Col. Jack C. Jeffery (left). Paper won top honors in competition with over 300 other Army publications. Staff members are Col. Lawrence N. Margelich (accepting award), Pfc. Terry J. Geffney and Pfc. Norman O. Bement.

46 Complete Course In Civil Defense Training

Certificates are to be presented to 46 persons who completed the five-week basic civil defense course Tuesday night and will be sent by John L. Honner, retired Army general, who is state civil defense director.

According to Mrs. Valerie Evenden, local deputy director, attendance was required at all sessions to become eligible for a certificate. An average of 75 was present for each class.

The final course was entitled "Emergency Functions of Government" and was taught by Victor H. Koenig, assistant director of the Granite City unit.

During the course, interest was high in the radiological detection field and prompted the beginning of a six-week course on instrument meter reading.

Starting at 7:30 p. m. Monday, the course will offer instruction in reading geiger counters and detectors, devices which gauge radioactivity.

Classes will be held at the civil defense building on 18th street between Grand avenue and State street. Instructors will be Lewis E. Sabin, Venice high school principal, who is RAD-

AC director of the local unit. Enrollment already totals 25 persons.

Completing the five-week basic civil defense course were Ronald Asbeck, Bert Beck Jr., John Becker, Mr. and Mrs. Clifford Cochran, Oliver Corzine, Mrs. Vyvian Durbin, Daryl B. Fow, Hiram Fowler, Mr. and Mrs. Robert E. Gates, Mr. and Mrs. Lester Gramerman and daughters, Linda and Mary Gramerman, Don P. Jackson, Mrs. Chris Kieffer.

Mrs. Ann Kincy, Rev. Lawrence J. Mattingly, Mrs. Dorothy McCala, Mr. and Mrs. Monroe W. Meyer, Benjamin, Richard and John Muenzner, Floyd T. Mitchell, Mrs. Josephine Mitchell, Kipling B. Pellet, Albert Pritchett, Mrs. Mildred Ross, Mrs. William L. Rhodes, Gilbert Rickard, Lewis E. Sabin, Eugene W. Schaefer, Charles Smiddy, David Strong, Mr. and Mrs. D. Weaver, O. S. Williams, Robert E. Young, Mrs. Shirley M. Brown, Mrs. Mildred McDowell, Walter Rummmer, David Welch, and Mrs. Dorothy Wioff.

APRIL PACK MEETING

The April meeting of Cub Pack 122 of the Wilson school PTA was held Monday night at the all-purpose room at the school.

Webelos Den One, with Jerry Singleton in charge, held a flag ceremony to open the meeting and led the pledge of allegiance.

Dens One, Three and Six, directed by Mrs. Beverly Singleton, Mrs. Eleanor Cassy and Mrs. Ann Love, presented plays and Mrs. Beverly Johnson spoke in charge of a game for the parents.

Cubmaster Jack Melon presented awards earned by Billy Duffield, Mike LaBianca, John Tolbert, Val Sunonia, Benault Bagby and Jerry Singleton. Honor boys for the month were Steve Harris, Tom Smith, John Tolbert, Don Wellborn, Steve Watkins, Phillip Nelson and Randy Patrick.

Webelos Den Two presented the closing ceremony and Mrs. Singleton and Mrs. Love served refreshments.

GIRL SCOUTS HONOR LEADER AT PARTY

Intermediate Girl Scout Troop 132 of Webster school surprised its leader with a Mother's Day party Tuesday. The decorations were in Girl Scout colors, and each girl presented Mrs. Doris Stotz with a gift.

Refreshments of cookies and soft drinks were served by Yvonne Schilling and Linda Michelson to Mrs. Stotz and Cynthia Whaling, Vickie Carver, Jane Moske, Debbie Pirie, Debbie Herring, Terry Ellsworth, Diane Gildewell, Carol Gilmore, Vera Daugherty and Phyllis Stotz.

The girls discussed a tour to Grant's farm on Saturday, with all troops from Neighborhood Three participating. A project was continued.

SURGERY PATIENT

Mrs. Hilda Buzan, 2837 Edgewood avenue, entered St. Mary's Hospital, East St. Louis, Tuesday to undergo surgery Wednesday. Her condition is reported satisfactory.

Depot 'Graniteer' Wins DA Newspaper Award

The Granite City Engineer Depot's publication, the "Graniteer," has been named winner of the Department of the Army Newspaper Award for the period July 1 through Dec. 31 of last year, it was announced this week.

The award was won in worldwide competition with over 300 Army newspapers, and was accepted by Col. Jack C. Jeffery, depot commander.

Editor and artist for the "Graniteer" is Corp. Lawrence N. Margelich, Pfc. Terry J. Geffney is news editor and Pfc. Norman O. Bement serves as reporter and photographer.

The newspaper award was the second received by the "Graniteer," which won similar recognition for publications during the last six months of 1959.

Special mention was given to George E. Eubanks, technical supervisor of the paper; Charles Chapman, depot photographer; and Gene Ross, chief of the duplicating branch, for materially aiding in the production of the paper.

Rotary Club To Honor Madison High Students

Plans to honor about 30 members of the Madison high school National Honor Society were announced at yesterday's meeting of the Madison Rotary club. The club will be host next Wednesday to the students, Principal John L. Palchett and the guest speaker, Dr. Frank L. Eversall of the Southern Illinois University faculty in East St. Louis.

Fred Schmidt, president-elect of the club, spoke on the meat packing industry, relating that improvements in packing techniques have enabled buying to be spread over the entire year. This reduces storage, cutting costs for the consumer, and also gives hog farmers year-round rather than seasonal income. A further advantage is that employment of packing house workers is on a more stable basis, he explained.

GIRL SCOUTS ADVANCE

Girl Scout Troop 162 met Tuesday afternoon with the leader, Mrs. Bernice McKay. The following girls became Intermediate Scouts: Nancy Singer, Gale Martin, Susan Martin, Janice Brown, and Pamela Sullivan.

A pin was awarded to Deborah Atkin, and Mary Alice McKay received the cooking badge. Others present were Debbie Robinson, Patti McKay, Terry Lee Hook, Beverly Norton, Gay Stidham, Pamela Barr, Linda Beutler, Suzanne Shoemaker, John McKay and 14 guests.

Girl Scout Troop 29 and the leaders, Mrs. Jeri Scheib and Mrs. Sarah Beadle, met Tuesday for a weekly meeting. The girls worked on earrings and badges.

Those present were Donna Ferro, Meloney Wolf, Linda Ludde, Nancy Woods, Marie Scheib, Patty Franko, Sandra Dix, Kay Williams, Gerry Belcher and Brenda Scheib.

2 Small Girls Unhurt As Auto Backs Into Bike

Two small girls, riding a bicycle on the sidewalk along Faith avenue at Marshall avenue, escaped injury yesterday afternoon when the cycle was struck by a yellow and white station wagon being backed off the lot of a market.

Police said the girls were Elaine Scott, 9, of 2920 Warren avenue, and Jackie Foller, 9, of 2915 Warren avenue. They told police the motorist stopped and offered to take them home but they refused. The name of the motorist was not listed on the report.

The Glenview Civic Improvement Association will meet tonight at 7:30 in the all-purpose room at Wilson school.

Flexibility
Is Theme

(Continued from Page 1)

about the campus rather than under a roof."

To that end an environmental planning conference to provide an "aesthetic master plan" for the new campus will be held in East St. Louis the weekend of June 2. It will involve leading sculptors, artists, landscape architects and engineers in an effort to integrate the cultural arts in actual ground-up construction of the campus.

Land Purchase Announced

Dr. Morris announced that a sales agreement recently signed for the purchase of a 40-acre tract will give the university approximately 1575 of the 2875 acres which will make up the new campus.

He added that since last Dec. 1, pledges of \$236,000 have been received by the SIU Foundation which money is used for the purchase of land at the Southwestern campus site.

A 132-acre tract recently purchased by the university with state-appropriated funds will be the scene of commencement exercises for 300 graduating seniors on June 15.

Functional Lake

Answering a question put to him concerning the presence of a man-made lake on the new campus, Dr. Morris said the lake will serve a functional as well as recreational purpose.

The lake will serve as a substitute for a conventional water cooling tower, and will be for both heating and air-conditioning the campus buildings will be drawn from it, he said.

Dr. Morris said utilization of the lake will represent a savings of half a million dollars in construction costs over the erecting of water cooling towers, according to reports from engineers.

He said air-conditioning of campus buildings will be necessary when the university begins holding year-round classes. Central air-conditioning also will result in savings over the installation of individual air conditioning units in each building, he predicted.

Final plans for utilities must meet approval of the university board of directors, Dr. Morris said, and the next step is for engineers to develop detailed drawings and specifications so that construction may begin as soon as possible.

One of the current problems facing the university is at its recreation center in East St. Louis, Dr. Morris pointed out, where a lease on facilities at the old East St. Louis high school building has not been renewed by the East St. Louis board of education. Dr. Morris said he expects a lease renewal agreement to be reached.

Alton physician Dr. Robert B. Lynn, named chairman of the council at its first and only previous meeting in 1956, presided at the dinner meeting Tuesday night.

Renewal Officers

Dr. Lynn was elected to that position "for an indefinite period," and council members also named Miss Bernice R. Goodie, general manager of Goodie Lumber Co. in East St. Louis, as vice-chairman and George Moorman at of Edwardsville, secretary-treasurer.

Executive committee members re-elected were Arthur C. Dillman, president of the Edwardsville National Bank and Trust Co.; Irving Dillard of Collinsville, a member of the University of Illinois board of trustees; Thomas Duffy, editor of the Evening Journal; Herbert Esterlein, president of the Collinsville First National Bank.

Lawrence Keller Jr., president of the Alton Bank and Trust Co.; Robert L. Kern, editor of the Belleville News-Democrat; John McBride, vice-president and general manager of Union Trust & Refining Co.; and C. E. Townsend, editor of the Press-Record.

Citation To Dr. See

A citation was presented to Dr. Harold See, SIU vice-president who was instrumental in developing the original concept of the Southwestern campus. Dr. See was not present at Tuesday's meeting.

The citation was proposed and read by Val Cox, business agent for the Building Service Employees International Union, Joint Council 28, East St. Louis.

It commended Dr. See for his "foremost and diligent efforts toward the development" of the Southwestern campus. A motion for the approval of the citation by the council was seconded by McBride.

Roca Gold Club Accepts 4 Members; Starts Lessons

Four new members were accepted into the Roca Gold Club chapter at a meeting Tuesday at Big Top Bowl. They will be inducted next week.

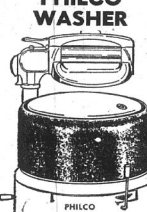

New members are James Engleke, William Niepert, Charles Johnson and Robert Strauss. Following the meeting Earl Parsons, advisor, led the first of bi-weekly dancing lessons. It was announced that both Roca chapters, Gold and Black, will enter a float in the Youth Parade at Wood River Saturday.

SOCIETY

Hospital Auxiliary Elects, Mrs. O'Day New President

Approximately 50 members and guests attended a meeting of St. Elizabeth Hospital Auxiliary Monday evening at which new officers for the coming year were elected.

They were Mrs. Martha O'Day, president; Mrs. Lillian Walker, first vice-president; Mrs. Elizabeth Gabriel, second vice-president; Mrs. Helen Heller, corresponding secretary; Mrs. Mabel Gaston, treasurer; and Mrs. Dorothy Partney and Mrs. Elizabeth Kelly, retiring president-board members.

Mrs. Kelly presided at the meeting and two new members, Mrs. Frankie Hickey and Mrs. Bonnie Baker, were enrolled.

Mrs. Simon and Mrs. Argelan.

Grace Baptist WMS Meets

An all-day meeting of the Woman's Missionary Society of Grace Baptist Church was held Tuesday at the church, 3000 Edwards street.

The morning devotional service was led by Mrs. Helen Myracle, president, who also conducted the business session. The devotional topic was "God Is Able."

Plans were made to attend a leadership training course at First Baptist Church on Thursday and Friday; and Mrs. Wilma Plaster, chairman of community missions, urged all of the members to save worn bed sheets to be used for cancer bandages.

A fellowship luncheon was served at noon to eight members. The meeting reconvened the afternoon and Mrs. Betty Welch, program chairman, introduced Mrs. Margaret Pihers, a native of Germany and now a naturalized American citizen, who gave her experiences as a displaced person. Others present were Mrs. Shirley Milliken, Mrs. Ava Welch and Mrs. Carol Frolick.

The next meeting of the society will take place May 25 at the church.

LEAVES TO JOIN HUSBAND IN EUROPE

Mrs. Joseph J. DeRuntz and her daughter, Rita, left Wednesday by plane for New Jersey from where they will fly today to Frankfurt, Germany, to join her husband, M/Sgt. DeRuntz, who is on a three-year tour of duty there.

M/Sgt. DeRuntz was stationed at El Paso, Tex., before leaving for Europe on Dec. 17.

Lillian Nemeth were appointed as favor co-chairmen for May and plans were made for a rummage sale early in the fall at the COOP Hall. Also planned was an opera party this summer to see the performance of "Calamity Jane."

Mrs. Jo Crouch addressed the group on the history and policy of the Madison County Health Clinic, and after the meeting refreshments were served by the Sisters of the hospital.

Prizes were won by Mrs. Nina Borden, Mrs. Mary Toth, Mrs. Minnie Siebold, Mrs. Frances Gruber, Mrs. Eva Hansel, Mrs. Lorraine Thebaud and Mrs. Irene Argelan.

PEO Sisterhood Discusses Wisdom

"Wisdom" was the theme of an evening meeting of Chapter HT of the PEO Sisterhood Monday night in the home of Mrs. George E. Marshman, 2412 East 25th street.

Eighteen members attended and the program was on Cottey College, the only college in the United States owned and endowed by a women's organization.

Mrs. Ila Maxton presented a tape recording of an address by Dr. Blanche Dow, president of the college, and Mrs. Loretta Reiske gave a paper on the Educational Loan Fund. The PEO loan fund has aided many young women in obtaining higher education. Furthering the cause of higher education for women has always been the chief objective of the sisterhood, she said.

The next meeting will be held May 8 in the home of Mrs. Harold Kaiser, 1513 Garfield avenue, with Mrs. Harold Fischer in charge of the program.

HONOREE AT STORK SHOWER

Mrs. William Seibold II was guest of honor at a cradle shower this week given by Mrs. I. H. Holt, Mrs. Robert Young, Mrs. Ray Simmons and Mrs. Howard Kamm this week at Kirkpatrick Homes Recreation hall.

Pink, blue and white appointments were used and a large table decorated the table where the honor guest and members of her family were seated. Smaller tables and floral cut out favors adorned the remaining tables and a stork stood guard over the gifts.

Prizes in the games were won by Mrs. William McFarland, Misses Brenda Correllson, Penny Isaak and Diane Haneline.

After the shower, a buffet dinner was served to approximately 65 guests, a number of them from out-of-town.

Musical Program Is Highlight Of Niedringhaus PTA

A musical program entitled "Holiday Calendar" was presented Tuesday evening at a meeting of the Niedringhaus school PTA. It was directed by Miss Deloris Cavins, music teacher.

The program included songs in keeping with various holidays throughout the year in appropriate settings and with the 10th and sixth graders taking part.

Capt. Mildred Walker of the Salvation Army, a member of the school PTA, gave the invocation; and Cub Scouts of Dens Two, Three, Four, Five, Six and Seven, presented the colors and closed the program with the Cub song, "Good Night Cub Scouts."

During the business hour the members were reminded of the school picnic to be held June 4 at Wilson Park. Games and a picnic will be served and hot dogs, soda and pop corn will be available. A cake walk will be held after the next meeting to raise additional funds for the picnic prizes.

Frank Dragovich, of the Boy Scouts announced a campout at Camp Sumner last weekend, and Carl Rantz, the girl Scouts discussed a tour to Grant's Farm planned for this Saturday. The girls will meet at the John Church on Namooki road at 8:30 a.m.

Miss Doris Ann Flinn, a bride-to-be of the late summer, whose betrothal to William David Henke, a son of Mr. and Mrs. William Henke, of 2215 East 24th street, is announced by her parents, Mr. and Mrs. Robert L. Flinn of Batesville, Ark.

Flinn-Henke Troth Is Announced

The engagement of their daughter, Doris Ann, to William David Henke, a son of Mr. and Mrs. William Henke, 2215 East 24th street, is announced by Mr. and Mrs. Robert L. Flinn of Batesville, Ark.

The bride-to-be, who has been residing with her brother-in-law and sister, Mr. and Mrs. Porter Cawley, 2215 Edison avenue, is employed as a stenographer by a St. Louis firm. She is a graduate of the Batesville high school.

Mr. Henke graduated from the Granite City high school and attended Southern Illinois University Residence Center in Alton. He is employed by the Nestle Co.

A late summer wedding is planned by the couple.

Episcopal Women Plan Sale May 12

The Episcopal Women of the Tri-City PDX Club held a monthly meeting Tuesday evening in the parish hall with Mrs. Georgia Butler as president in charge. Devotions were led by Mrs. Virginia Nyberg.

Plans were made for attendance at a regional meeting in Collinsville today and for a rummage sale May 12 at the COOP hall on Grand avenue. The ladies also will prepare and serve the basket ball and bowling team award dinner May 8 at the church.

Refreshments were served to nine members by Mrs. Lillian Chapley and Mrs. Dorothy Davis, hostesses.

BRIDAL SHOWER FOR MISS DIANA WALLACE

Mrs. Anna Mae Rainwater and Mrs. Della Nance were co-hostesses at a bridal shower at the American Legion hall this week honoring Miss Diana Wallace, a sister of Mrs. Rainwater and fiancée of Frank Bickel of Collinsville.

Mrs. Rainwater will serve as matron of honor and Mrs. Nance as a bridesmaid at the wedding of the couple which will take place May 6 at First Methodist Church in Collinsville.

Approximately 40 guests attended the shower which carried out a yellow and white color scheme. A bridal centerpiece which played the Lohengrin wedding march adorned the table and prizes in the games were won by Miss Sharon Emmons, Mrs. Marcelle Lane, Mrs. Estelle Lane, Mrs. Hilda Fowler and Mrs. Calvin Lazenby sr.

ATTENDING MEETING IN COLLINSVILLE

Mrs. Georgia Butler, Mrs. Esther Maness, Mrs. Anna Mae Harris, Mrs. Kate Faulkner, Mrs. Kay Acquaviva, Mrs. Rose Harris and Mrs. Dorothy Davis are in Collinsville today to attend a regional meeting of Episcopal women.

The meeting is taking place at Christ Episcopal Church.

GO TO CHURCH SUNDAY

Eagles Auxiliary Nominates, Plans Mothers Day Party

Officers for the coming year were nominated at a meeting of the Eagles Auxiliary Tuesday evening. They will be elected at the May meeting and installed later.

Mrs. Viola Carey, president, was in charge and Mrs. Mary Gwin reported on plans for a Mother's Day party. Reports also were given by Mrs. Cora Hetty, auditor, and Mrs. Angie Buehler and Mrs. Gladys Newman on trips to the Edwards-Tuberculosis Sanatorium and the Madison Nursing Home.

Mrs. Elizabeth Dickey received the "white elephant," and the prize for the evening went to Mrs. Buehler.

Refreshments were served by the escorts and there were games with awards going to several of the members.

An officers meeting will be held May 2 and the next general meeting will take place May 9.

HOTTEST TO MAGPIE CLUB

The home of Mrs. Susie Fowler, 2602 Lincoln avenue, was the place of meeting Tuesday evening for the Magpie Club.

Mother's Day gifts were exchanged by the "secret pals" and plans were made for Mother's Day dinner party May 16.

Prizes were won by Mrs. Elva Lallumant, Mrs. Lucille Stratford and Mrs. Katherine Pinkerton.

Refreshments were served and the club members were invited to the home of Mrs. Leta Haynes on Elm street for the next meeting.

WILL SERVE AS QUEEN ATTENDANT

Miss Mary Lou Reilly of Madison, a senior at Lindenwood College in St. Charles, Mo., will be an attendant to the May Queen in the annual coronation ceremonies May 6.

A daughter of Mr. and Mrs. Louis B. Reilly, 1671 Fourth street, Miss Reilly is a home economics major at Lindenwood. She will receive a Bachelor of Science degree on May 27 at the 134th commencement exercises.

Pink and white were the colors predominating in the appointments which carried out an "out of this world" space theme. The names of the engaged pair were spelled out in flowers, and small pink observation balloons were suspended above the gift table.

Together with pink and white streamers with wedding rings and bells attached.

Those present were Mesdames

Martha Rochester, Gladys Hagan, Lola Presswood, Evelyn Cook, Leona Bain, Theresa Scrump, Julia Jeff, Helen Scrump, Ann Scrump, Carlisle Hoffman, Edith Senecy, Leona Delaloye, Marie Parks, Dolores Carson, Fern Affolter, Imogene Claxton, Evelyn Davis, Eleanor Bacon, Oleva Little, Marie Johnson, Marilyn Whitworth, Verma Christian, Elsa Sagen, Carmel Moran, Bessie Templeton, Elinor Stagner, Carrie Hart, Marie Dettner, Emma Arthur, Lena Scarborough, Pearl Thomas, Clara Whitworth, Myrtle Donley, Florence Medsaff, Elsie Lung, Opal Shearburn, Lucille Carpenter, Leona Fisher, Ella Green, Olive Little, Olive Miller, Zella Lewis, Nellie Hecht, Marie Ehler, Cecilia Davis, Frances Balding, Ellen Douglas and Foster; Misses Lois Bain, Donna Bain, Terrie Moran, Laura Little, Sharon Little, Candy Ehler, Marilyn Scrump, Diana Scrump, Diane Parks, the honoree and Larry Christian.

Games were enjoyed after the gifts were opened and awards were made to Sharon Little, Mrs. Debra Hecht, Mrs. Marie Affolter, Mrs. Whitworth, Mrs. Arthur, Mrs. Hart, Mrs. Foster, Mrs. Medsaff, Mrs. Shearburn, Mrs. Carpenter, Mrs. Olive Miller, Mrs. Sagen and Mrs. Templeton.

LEAVE FOR STAY IN DENVER, COLO.

Mr. and Mrs. Ted Macios and daughters, Linda and Donna, 2820 Dogwood drive, left this morning for Denver, Colo., where Mr. Macios is being transferred for six months by Sverdrup & Parcel Associates of St. Louis.

Before departing, the family was given a surprise farewell party by a group of friends. Those present were Mr. and Mrs. Harold Dix and daughter, Diane, Mr. and Mrs. Harry Logan and daughter, Cathy Ann and Mrs. Mr. and Mrs. Carl Macios and Mr. and Mrs. Paul Schreiber.

Calvary Baptist YWA Meets

The Young Women's Auxiliary of Calvary Baptist Church met Tuesday evening in the home of one of the counselors, Mrs. Lois Bradford, 2118 Pontoon road.

The program theme was "Answers From The Near East" and those present were Judy Brooks, Linda Harrison, Frances Wallace, Patricia Pyrtle, Joanne Fuller, Judy Pratt, one new member, Rhoda Reading, and the counselors, Mrs. Edith Harris and Mrs. Bradford.

Plans were made for a mother-daughter tea at the church and for the next meeting May 8 at the home of Mrs. Pat Wallace, 2309 O'Hare avenue.

GIRL SCOUT LEADERS HOLD MEETING

Girl Scout Leaders of Neighborhood Two met Tuesday evening at Emerson school. Mrs. Wilma Hancock presided and 12 were present.

The leaders were reminded of a luncheon to be held at Camp Lakota May 20 for sixth and seventh grade girls, and a special Council meeting was announced for 7:30 p.m. May 1 at the Madison Recreation Center.

The day camp also was discussed and the need for counselors was stressed.

PLAN DISTRICT MEETING

The Christian Youth Fellowship of Central Christian Church met Sunday evening at the church. Choir practice was held before the meeting, with Mrs. Lois Blumey directing. Mary Crouse was in charge of recreation, and the group played softball outside.

The meeting was called to order by President Allen Kennerly. The group discussed the paper drive held Saturday and a sub-district meeting which is to be held May 7 at Belleville.

Enlistment Chairman Betty Byrnes announced that the project for "Mystery Night" will be to go bowling. Larry Peppers

Granite City PRESS-RECORD

Page 16 Thurs., April 27, 1961

led the study, followed by worship led by Barbara Byrnes, assisted by Ronnie Youngs.

Refreshments were served by Jim Richee to Ronnie Youngs, Peggy Lipford, Mary Crouse, Martha Spengler, Caroline Butler, Larry Peppers, Allen Kennerly, Barbara and Betty Byrnes and the sponsors, Mr. and Mrs. Clay Rush. The meeting closed with a friendship circle.

TROOP TO VISIT LIBRARY

Intermediate Girl Scout Troop 31 met Tuesday evening with Mrs. Betty Walker. The meeting opened with the pledge, and the boys checked achievements discussed the scout fair and hobbies to demonstrate in their fair booth, practiced a play for the pack meeting, played a game and made another model of their den. Refreshments were served to Paul Bowler, Robert Leonard Walker, John Reliefe, Gregory Walker, Bobby Bunselmyer, and Frankie Mehele.

and seventh, graders. The girls worked on their Mother's Day project, and Virginia Glenn passed out home making requirements by bringing cupcake for the group. The meeting closed with "Laps."

Girls present were Janice Kreher, Stephanie Deatherage, Dorothy Belger, Linda Hamilton, Karen Deatherage, Janis Mehele, Cheryl Fisk, Virginia Glenn, Betty Handfelder and Pam Parkinson.

Den Three of Cub Pack 23

met Tuesday evening with Mrs. Betty Walker. The meeting opened with the pledge, and the boys checked achievements discussed the scout fair and hobbies to demonstrate in their fair booth, practiced a play for the pack meeting, played a game and made another model of their den. Refreshments were served to Paul Bowler, Robert Leonard Walker, John Reliefe, Gregory Walker, Bobby Bunselmyer, and Frankie Mehele.

Brownie Troop 121 met Tuesday evening with Mrs. Ethel Getteman, assisted by Mrs. Evelyn Bringer. The roll call was answered with names of different animals, and the girls played a game and sang.

Refreshments were served to Jean Funkhouser, Rita Krause, Sandra Ernst, Pamela Bringer, Sharon Hughes, Brenda Misto, Sandy Deatherage, Elaine Roustio, Judith Baker, Darla Speed, Debbie Grace, Sally Getteman and Mimi Midgett.

Den Two of Cub Pack 23

met Tuesday evening with Mrs. Doris Wilson. The boys checked the reports they gave at the pack meeting, made telephone books to be given away at the scout fair and turned in their bird houses. Refreshments were served to Paul Bowler, Robert Fisk, Bobby Lowell, Maurice Senior, Ronnie Wilson, Michael Barton and Richard Leonard.

Den Four of Cub Pack 23 met Monday evening with Mrs. Evelyn Bringer, assisted by Mrs. Ruth Norton. Herb Williams led the pledge to the flag and the boys practiced for the pack meeting, faced savaners for the scout fair, checked tickets, did handicraft and closed by singing "America." Refreshments were served to Larry Harvey, Dennis Bringer, Herb Williams, David Dayton, Michael Norton, Edward VanSoyak, Dennis Morris and Michael Black.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Bob Anderson, Allen Reber and Jacob Getteman. The boys distributed Camp Saven neckerchiefs and talked about the scout fair. Alfred Miller received his tenderfoot badge.

Boys present were Mike Abernathy, George Wilkerson, Dennis Boyer, Charles Polley, Skippling at Stallings school with

Dean, Willard Hicks Jr. Alan Getteman, Larry Dayton, Bill Abby, Glenn Ashford, Mike Krause, William Bures, Danny Mills, Dennis Patterson, Floyd Ridgeway Jr., Mike Karlechik, Danny McBride, David McBride and Bobby Ficker.

Brownie Troop 75 met Tuesday evening with Mrs. Mary Lee Krohne, assisted by Mrs. Prill. The meeting was opened with the pledge and promise led by President Beverly Hankins. The girls worked on Mother's Day gifts. Refreshments were served by Mrs. Prill to Laverne Prill, Pamela Britton, Patty Jacobs, Beverly Hankins, Susan Krohne, Paula Elliott, Rita Sue Ernest, Brenda Simmons, Margaret Wilkerson and two guests, Bobby Prill and David Krohne.

Cub Pack 23 met Tuesday evening

at Stallings school with Jimmy Clark and Gary Rapp.

Cubmaster Charles Bringer. The meeting opened with the pledge, and awards were given to Michael Black, Dennis Morris, Frank Mehele, Robert Fisk and Gary Speed.

Plans were made to go to Lambert Airport Sunday. A game was played, with prizes going to Ruth Norton and Frank Mehele. Den Four gave the closing, and the mothers of Den Two served refreshments.

READ THE CLASSIFIED ADS

Den One of Cub Pack Six met Monday evening with Mrs. Laverne Rapp, assisted by Mrs. Leona Clark. The meeting opened with the pledge and promise and the boys discussed the scout fair, played their musical instruments, played a game and closed with the Lord's prayer. Present were Michael Boyd, Robert Clark, Dennis Cline, Larry Rapp and two guests, Jimmy Clark and Gary Rapp.

Change Sunday In Wabash

Leave Bird Schedule

G. L. Hudson, agent here for the Wabash Railroad, today announced a change in passenger train schedules effective Sunday, when daylight savings time begins.

Train 121, the Blue Bird, will leave Chicago at 3:50 p.m. instead of 4:50 p.m., arriving at Granite City at 8:24 p.m. instead of 9:24 p.m. There will be no other changes in passenger train schedules, he said, adding that all trains will operate on central standard time.

Sheds Catch Fire

A fire damaged three sheds on Hall street, Eagle Park Acres, at 6:35 p.m. Tuesday. One truck of the Venice fire department responded, and damage was described as minor.

For One Full Week All "Super-Right" Meats Carry This Guarantee...If You're Not Fully Pleased We'll Give You...

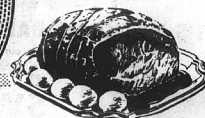

DOUBLE YOUR MONEY BACK!

When you have something good it's so nice to share it with neighbors! That's the way we feel about "Super-Right" Quality Meats. We know they're such fine-quality meats — and such great values — that we want to invite more and more customers to enjoy them. So we've set aside this week to make a special get-acquainted offer. The selection of meats is of the same quality that always carries a money-back guarantee. The big difference is this: during this week, in order to induce more of our neighbors to try a variety of "Super-Right" Meats, we're offering this sensational guarantee: *double your money back if you're not fully pleased with any of the meats you purchase!* That's how confident we are that you'll find these superb meats to your liking. This is a wonderful opportunity to prove to yourself how good these meats really are. Not only that, you'll find out, first hand, how much you can save — right down the line — on "Super-Right" Meats. Select your favorite cuts at A&P this week and see!

SOCIETY

Navy Mothers Club Honored For Volunteer Work

The Quad-City Navy Mothers Club 850 received certificates of appreciation last night from the Jefferson Barracks Veterans Hospital for 100 hours volunteer work by members ending Dec. 31, 1960. The certificates were received by Mrs. Mary Koresog, Mrs. Mildred Walker and Mrs. Elsie Quinlan.

Mrs. Koresog, who is a national VAVS co-chairman, was introduced as the only national VAVS representative present for the ceremony.

The awards were presented by Richard Giffin, director of volunteers and Dr. Rosenberg, hospital manager.

Refreshments were served to the volunteers by the hospital staff and entertainment was furnished by the patients. Members of the families of the volunteers were guests, as was Mrs. Ida Heller, Quad-City Navy Mother.

Monday evening, the Navy Mothers as a unit received awards for contributions to the Cochran Veterans Hospital. They were presented to Mrs. Alice Christian, hospital chairman.

Central Christian B&PW Circle Elects Officers

Officers for the coming year were named Tuesday evening at a meeting of Group Three of the Business and Professional Women's Circle of Central Christian Church held at the church, 2020 Johnson road.

They are Mrs. Blanche Lane, president, succeeding Mrs. Velma Gruen; Mrs. Ruby Hart, service chairman; Mrs. Geneva Butler, study chairman; Mrs. Pauline Wyatt, worship chairman; and Mrs. Mona Wilkerson, secretary-treasurer.

Mrs. Butler served as hostess to the group and Mrs. Gruen presided.

"Are We Able" was the topic of the worship service led by Mrs. Lois Billoway, and Mrs. Florence Gilbert presented the lesson on "Stories of Missionaries from Younger Churches."

The year book was prepared at the meeting and refreshments were served by the hostess, assisted by Mrs. Wyatt, to those mentioned and to Mrs. Elma Craddock, Mrs. Mary Billoway, Mrs. Nell Johnson, Mrs. Ruth McCarty, Mrs. Georgiana Gilbert, Mrs. Viola Beck, Miss Kathryn Weddell, Miss Helen Stone and Miss Pearl Gilbert.

Legion Unit 113 Initiates Two

Two new members were initiated last night at a meeting of the American Legion Auxiliary, Unit 113. They were Mrs. Mae Gottfried and Mrs. Alice Walke. The past presidents were in charge of the initiation.

Mrs. Mary Batson, president, conducted the meeting and 30 were present. Burt Harris, 22nd District commander announced plans for the District meeting to be held here June 4 and contributions were made to the Cancer Fund and to Bennett Cottage at Normal, Ill.

A pot luck supper will be held at 6:30 p.m. on the evening of May 9 and Ellen Winters was selected by the Auxiliary to attend Girls' State this summer. The alternate will be Judy Towse.

The Past Presidents Parley served refreshments and prizes were won by Brenda Morris and Mesdames Gottfried, Burt Harris, Minnie Grob, Dorothy Johnson, Edna Whaling, Alma Kline, Ella McKittick, Nora Carver, Melba Wade, Helen Qualls and Loretta Goeller.

NAVY MOTHERS CLUB ENTERTAINS VETERANS

The Quad-City Navy Mothers Club 850 entertained veterans at the Jefferson Barracks Hospital at two parties this week.

Monday afternoon, Mrs. Mildred Walker and Mrs. Mary Koresog were hostesses to two groups, one in the occupational ward and another in the tuberculosis ward.

Cup cakes and coffee were served to the groups. The cakes were made and furnished by members of the club.

On Wednesday, another party was held with Mrs. Elsie Quinlan and Mrs. Walker in charge. That guests were two groups in recreation and sports. On this occasion cake and coffee also were served. In the afternoon the ladies took part in softball games with the patients.

Volunteers from the Mothers Club donate two days each week to work at the Jefferson Barracks Hospital.

HONORED AT FAREWELL PARTY

A fellowship supper was held last night at Mt. Zion General Baptist Church in honor of one of its members, Roy Craig, who is leaving soon to reside in the Soldiers Home in Quincy, Ill.

Cards and gifts were presented to the guest of honor. Rev. Truman Collins, pastor, was in charge and there was community singing led by Leslie Barnett. Other numbers on the program included selections by several quartets and Scriptures reading and prayer by Ora Moss, Sunday school superintendent. Rev. Collins offered the closing prayer. Approximately 100 were present.

SIU TAUGHT IN-PLANT CLASS in creative literature at the local A. O. Smith Corp. plant with top management personnel as students of Dr. Charles Parish, SIU assistant professor in English. The course, one of several taught in the Madison-St. Clair counties area, is a departure from the usual line of in-plant courses taught by the university.

SIU's In-Plant Courses Spreading in Local Industries — Popular With Personnel

The conference room at A. O. Smith Corporation's local plant takes on a new look every Wednesday afternoon between 3 and 5 o'clock.

Instead of 23 of the firm's top management personnel discussing production problems or company policy, there are 23 eager students of creative literature and their instructor, Dr. Charles Parish of Southern Illinois University, studying important works of fiction, drama, poetry and the stage.

It isn't every day that corporation general foremen, chemists, maintenance foremen, plant managers, employment supervisors and tool foremen study literature — not necessarily for any gain they might receive which would help them do their job in the plant better — but simply for the sheer pleasure they get out of it.

Dr. Parish and his group of "students" like what they are doing in the classroom, and they're pleased with the results.

"Latest Approach" The unusual class, one of several taught by SIU's Southwest Illinois Campus faculty

Granite City PRESS-RECORD Page 22 Thurs., April 27, 1961

Nearly all the classroom work is on company time.

"The aim of our course," Dr. Parish explained, "is to help our students get better acquainted with fiction, plays, poems and essays of this century, and not only to understand the meaning of a given work or passage, but to arrive at some understanding of the work in its historical relationship to modern culture and ideas, and to be able to make some evaluation of the work."

May Expand Courses Although it is restricted to supervisors of a fairly high level, the demand for learning from other plant personnel has led Castevens to consider the possibility of expanding the offerings to even wider areas of plant personnel training.

At A. O. Smith, former plant manager Thomas Sullivan, was most responsible for the in-plant program in courses not related to a person's job.

The creative literature course isn't the only one industrial personnel in the Madison-St. Clair counties area have been exposed to.

Another SIU-taught in-plant course which has attracted a lot of attention is one in logic. It was recently completed after being presented over a 12-week period in the Union Starch & Refining Co.

It got started after Elmer Kincaid, personnel director for Union Starch, enrolled for an evening college credit course in logic at SIU's East St. Louis campus. He was so enthused about the possibilities of such a course for plant personnel that he told his boss, Union Starch Vice-President John J. McBride, about it. McBride took the leadership in persuading SIU to schedule the course for in-plant presentation to top management personnel of his firm.

Taught last quarter by SIU associate professor Dr. George Runkle, the course took up such things as verbal pitfalls, levels of meaning, emotive language and kinds of argument.

"This could have been a real dud which would have left me cold except that the personality of our instructor, Dr. Runkle, made everything. We talked about come to life," Kincaid said. "It's amazing how much I use the things I learned in the course."

It was quite a departure from the usual in-plant courses which deal with problems immediately connected with the jobs of the men enrolled.

Popular At Union Starch The course got to be so popular with Union Starch personnel that word of it spread to other plants in the area. Now it's been included in SIU's industrial management program for developing industrial leaders in the two-county area. Today it is what the university terms a certificate credit course, one for which a certificate of attendance and good work is awarded at completion.

Although SIU's in-plant study program is only two years old, it has over 200 "students" in six industrial plants in the Madison-St. Clair county area enrolled in 11 different courses.

Some of these courses deal with such subjects as metallurgy, industrial report writing, labor-management relations and practical psychology. They differ from courses such as creative literature and logic in that they are more closely related to the jobs of the men enrolled. They're planned to give present and future foremen and supervisors a more complete background of information from which they may draw in making on-the-job decisions.

It was about four years ago that SIU's in-plant course program really got started.

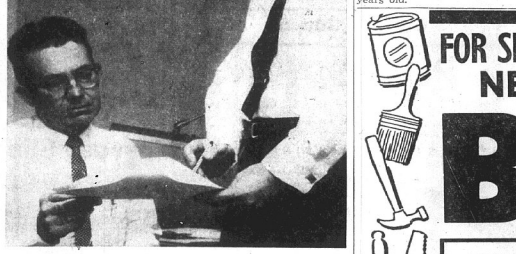

It was in 1956 that the university's Industrial and Technical Program was set up to serve as the connecting link between the

PRE-CLASS CONFERENCE with Dr. Parish (left) by management personnel of A. O. Smith Corp., who are going over the creative literature to be taken up. Standing, left to right — Paul Kelly and Cliff Blankenship. Seated — Alex Dumoulin and Russ Habsieger. Blankenship is general supervisor of labor relations, while the others are general foremen.

Beckers Select Name For Son Albert Walter Jr., is the name selected by Mr. and Mrs. Albert W. Becker, 2307 Woodlawn ave. nue, for their son born Sunday at St. Elizabeth Hospital.

The new arrival weighed eight pounds, 12 ounces. He has a sister, Tessa, 11, and two brothers, Herschel, 10, and Stephen, four years old.

SIU SUPERVISORS, E. Reber Castevens (left) and his assistant, Dale F. Blount, talk over matters of the successful industrial management course program being offered by the university in six plants and three study centers in the Madison-St. Clair counties area. More than 1200 persons are enrolled in the program.

area's industrial needs in education and SIU as the supplier of those needs.

That year, SIU, with the cooperation of the East St. Louis Manufacturers Association at Granite City, outlined a program of industrial management courses in an effort to meet the demands of industry to provide employers and employees with the "tools of the trade."

As a result of that early meeting of a committee representing area industry and Southern Illinois University, a few courses were set up for presentation in evening classes at Granite City.

They offered a practical approach to many of the problems of management. The foremen and supervisors who attended came away with a lot of ideas and information they could use in making decisions back in their plants.

Also in Alton, E. St. Louis, the program met with such outstanding success that it spread to Alton in 1957. Then in the fall of 1959 it was adopted in East St. Louis. Enrollment jumped from a few over 200 persons in 1957 to almost 550 last year.

Castevens, formerly with Ford Motor Co. is his supervisor, and Dale F. Blount, also a Ford alumnus and more recently the Armour and Company's industrial relations staff, is his assistant.

"Twenty different courses are offered today in SIU's industrial management program taught evenings at the three locations. Convinced that once a series of in-plant courses were begun they would increase in popularity, Castevens in 1959 scheduled a few classes designed specifically to fit the needs of the plants in which they were taught.

"Some industries believe the problems and conditions in their plants are to some degree the result of the lack of education of the foremen and supervisors. And they want a program aimed directly at their problems and conditions. Our in-plant courses are designed to fit these needs."

Praises Local Leaders Castevens said that if it had not been for men like Kincaid, McBride and Sullivan, it might have been a long time before courses such as creative literature and logic became accepted for in-plant instruction.

As a result of the popularity of the logic course at Union Starch and of the creative literature course at the A. O. Smith plant, numerous requests have been received at Castevens' office on the Edwardsville campus from other plants in the Madison-St. Clair County area for more courses of a similar nature.

"Because these two have been so successful," he said, "they have inspired others. The idea

180 In Prather School Vocal Concert Monday

Students numbering 180 will participate in a spring concert of the Prather Junior high school vocal music department at 7:30 p.m. Monday in the Prather gymnasium. It was announced this week by Walter P. Klein, principal, and Mrs. Isabel C. Schmidt, director.

Groups taking part will be the freshmen mixed chorus, the girls' glee club and second, sixth and seventh hour vocal music classes.

All of the groups will open the program with the pledge of allegiance to the flag, and the freshmen chorus will sing "Chorus St. Anton" by Haydn and Brahms and Mendelssohn's "The Lord Is a Mighty God." The girls' chorus will present Cherubini's "Like As a Father," Jesse Fishers' "Have You Ever Seen a Star" and Robert Gibb's "Crystal Night."

College Medley Carol Luer, organist, will play "Because" by Teschemacher and a medley of college songs will be given by the combined choral groups.

Included will be "Red Leaves on the Campus Green" by Roberts, Pillar and Katz, "Navy Blue and Gold" by Crosey, "On U Northwestern" by Van Etten and "Sweetheart of Sigma Chi" by Vernor and Ricketts. A small harmonizing group from the freshmen mixed chorus will sing the following old-time favorites: Eland's "In the Evening," Dresser's "On the Banks of the Wabash," Dacre's "Bicycle Built for Two," Daniels' "You Tell Me Your Dream" and

Boys' Chorus A boys' chorus will sing "Hello, Girls" by Pfautsch and Rhee's "Standin' in the Need of Prayer," while the freshmen group will render two selections by Don Gustafson, "Rolling Hills" and "Keep an Eye On Me." Miss Luer will return to play Carmichael's "Stardust" and Kern's "Smoke Gets in Your Eyes."

As its concluding portion of the concert, the freshmen chorus will present "Min Skol Din Skar" by Sedores. "The Boatman Dance" arranged by Scott, "Gossip, Gossip" by Jones and Hairs-ton and "This Is My Country" by Raye and Jacobs. The students and audience then will sing Elocity's "God Bless America."

The event is open to the public, and there will be no admission charge.

Yellow Bi-Plane To Be Spraying Farms In Area

Granite City police were notified this week by Jack Bettag of the Farmers Aero Spray Co., 2448 Adams street, that a yellow airplane will be flying low in the area in the near future, spraying farmers' fields.

Bettag said the plane is being operated with a special permit from the FAA.

He pointed out that last year during the spraying operation, pilots received numerous complaints of the low-flying plane.

MORE ABOUT

Value Of Service

(Continued from Page 1)

a poor program or an inferior staff, if it did not give full value to its students, if it did not produce significant research, if it did not stimulate and inspire communities to high goals, if it did not lead this area to finer attainments if it did not provide the kind of intellectual leadership that only a university can provide, then it would be a questionable investment.

"I pledge to you in the years ahead intellectual integrity, soundness of faculty, depth of participation, research work and

application of knowledge to meet the needs of environment.

Old Change Necessary

"Of all the creatures, only man has the ability to not only adapt to his environment but to control it, build it, change it and adjust it. It seems to me that this statement is so appropriate to the meeting this evening and to the service that is recognized.

"We are recognizing efforts by men to make adjustments and changes in their community. Man is capable of making the changes that need to be made. We can become what we are not.

"There is certainly a parallel between the life of a man and a university. We have the task of earning a living, which may or may not be joyful, and we have the basic university goal of instruction and research.

"One of the deepest convictions I have is that if man can make the proper adjustment in life, he will enjoy what he is doing. For a man to feel that joy can be had only by getting away from work is tragic and sad indeed.

"Another parallel is the challenge of public service. It is necessary if we are to lead a fuller life and to have a richer, fuller community.

Responsibility For Service

"A university will never reach its fullest service and function if it limits itself to teaching students and carrying out research. It must, particularly if it is a state university, fulfill its responsibility to service the society that supports it.

"In the planning of a major campus of Southern Illinois University in this area, there has been a central thought of projecting it into the homes and lives of people of this area, so that there can be a close relationship and interest between the university and the total population."

McBride's talk included humorous references and stressed Karandjeff's personal qualities of friendship and unselfishness.

First To Greet Him

He related that Karandjeff was the first man to greet him when he reached Granite City, and that his assistance and friendship have been a large factor in bringing McBride to accept and love Granite City.

"He has a faculty of reaching out to a neighbor or stranger, one of the greatest of human achievements.

"He exemplifies everything that makes this a good community," McBride asserted.

Way To Show Appreciation

In his address, Van Wyck said, "Working together to make this a more prosperous and pleasant community is the best way any of us have of saying 'thank you' to all the wonderful people—like 'Smitty' and Mr. Karandjeff—who have devoted themselves

to its progress throughout the years."

Van Wyck commented, "We at Illinois Power are awfully proud of our Ed Schmitt. We believe that nobody can exaggerate the value of his quiet and selfless service to his company, community and country over many years."

"We think so much of Smitty that we're not going to let him get away from us when his retirement comes up in September. We don't believe that either Illinois Power Co. or this community can afford to waste his talents, experience and energy. He has earned the right to do whatever he wants to with his time, and we are delighted that he has decided that what he would like best is to keep on working for Illinois Power and for his hometown, Granite City, and the neighboring communities.

"We can all be particularly delighted that Smitty believes

one of the finest uses of his time and energy is to join with all of you in a vigorous and systematic program of industrial development. This will be one of his top assignments."

Plan Generating Plant

"He and I have discussed the need for such a program with our good friend and customer, Nick Veeder, president of Granite City Steel Co. Mr. Veeder has been building a steel company with a capacity to serve more fabricating companies, and Illinois Power plans a 300,000 to 400,000-kilowatt generating plant in this general area because we are anticipating a great deal of economic growth."

"Neither company can devote itself exclusively to assist this area in industrial development, to the exclusion of other communities. But we are immediately and directly interested in its further development. We are

in business to make a profit, and we believe this is one of the most promising areas in the entire territory we serve.

"There is going to be a good deal of development here whether we stimulate it or not. Present commerce and industry will continue to grow and expand. Some new industry undoubtedly will wander in of its own accord.

"I believe, for example, that there is going to be a good deal of new industry locating here to take advantage of the river and harbor developments, including your own harbor, that will give direct water connections with ocean-going shipping."

"Not Leave To Chance

"It does seem to me, though, that the future development should not be left to chance or to scattered individual efforts. I believe that an organized, systematic and persistent effort should be made to attract the

Granite City PRESS-RECORD

Thurs., April 27, 1961 Page 23

best possible kind of industry to this Tri-City area.

"The best we can offer is assistance, not leadership. But we are prepared to work right along with you. We will offer technical assistance and engage industrial consultants that will help you organize and help find the most effective means of getting the story of this area to the most promising and desirable prospects.

"Together, we can develop a program that will make the most of our opportunities to grow, and to grow right, in a beneficial way to all. Let Ed Schmitt know when you are ready to sit down and make plans. Nick Veeder has promised that his company will help, and I pledge the support of the Illinois Power Co."

Picnics, Graduations Highlight Calendars

Graduations, commencement preparations and annual school picnics will highlight the month of May and early June for Quad-City schools, a review of school calendars showed today.

The 1960-61 terms are scheduled to end Friday, May 26, in the Madison and Venice school districts and Friday, June 9, in the Granite City district.

Memorial Day, Tuesday, May 30, will be a holiday for Granite City schools, and classes also will be dismissed on "teachers' record day" Thursday, June 8.

There will be 20 days of attendance in May for Madison and Venice students and 22 for Granite City pupils, whose term began later last fall.

May Day May 11-12

Granite City high school calendar for the remainder of the spring semester lists a "Law Day" assembly Monday, May 1; May Day rehearsal Tuesday, May 9; May Day matinee Wednesday, May 10; May Day performances and crowning of the May queen Thursday, May 11, and Friday, May 12; band tour beginning Tuesday, May 16; "stacky day" Monday, May 22; National Honor Society program Tuesday, May 23; recognition assembly Wednesday, May 24; senior tea May 24; vocal music department trip Friday, May 26, and Saturday, May 27; senior banquet Thursday, June 1; Baccalaureate practice June 2; Baccalaureate service June 4; final examinations June 5 and 6; record day for GCHS teachers June 7; boat excursion June 8; and commencement exercises Friday evening, June 9.

Athletic tournaments during the month will include district tennis May 6, district baseball May 8-10, district track and field May 13, regional baseball May 15-17, state tennis, track and golf May 18-20, sectional baseball May 22-24, and state baseball June 1 and 2.

PTA Meetings

Cowdage Junior high school's schedule includes an American Federation of Teachers meeting May 10, a spring vocal music concert in the school gymnasium at 7:30 p.m. May 15, a monthly

Parent-Teacher Association meeting May 22 and a "recognition day" program June 2.

Other Granite City PTA meetings will include sessions at the high school May 4; Washington and Webster, May 8; Emerson May 9; Mitchell, May 11; Marshall, May 15; Frohardt, Nantahala, McKinley and Maryville, May 16; Logan, Stallings and

May 18; and Niedringhaus school, May 23.

The annual Madison school picnics have been planned for Saturday, May 6, and Saturday, May 13. Blair school will be the scene of a Mothers' club meeting May 2, while Dunbar plans a PTA meeting May 11 and kindergarten graduation exercises May 19.

Concert, Class Day Harris school in Madison is to hold a Mothers' club meeting May 12, and a similar session has planned May 10 at Louis Ber school.

Venice high school plans a spring band concert and a "sock boy" May 12.

Lincoln high school will hold a "class day" for seniors May 12, and a senior social activity and awarding of Future Homemakers of America degrees later in the month.

Granite City Files \$80,000 Drumsuit Suit

A Granite City man has filed a drumsuit suit in Edwardsville circuit court asking a total of \$80,000 in damages for alleged permanent injuries sustained when he was shot and wounded by an assailant who allegedly received alcoholic beverages from four taverns in the Quad-City area.

Francis E. Bringer is asking damages totaling \$20,000 from each of four defendants listed in the suit, Gay and Ken Harberg, doing business as Nu-Bor-Hood Cut Rate Liquors; R. E. Robertson, doing business as State Street Tavern; L. J. Shastid, doing business as Irish Inn; and Pauline Briggs, doing business as Briggs Tavern.

The suit states that Bringer sustained permanent personal injuries when he was shot by one Frank Stark, who allegedly bought or obtained liquor at businesses operated by each of the four defendants, and that he is now incapable of supporting his wife and five minor children.

Stark is serving concurrent 3-to-5-year terms at Menard State Prison, one upon conviction of assault with a deadly weapon growing out of the wounding of Bringer, the other for burglary and larceny.

The complaint asks for jury trial.

Two Madison Students To Be Honored At ISNU

Rosemarie Bogleff, daughter of Mr. and Mrs. Louis Bogleff, 821 Madison avenue, and Nina Purdes, whose parents are Mr. and Mrs. Andrew Purdes, 1630 Sixth street, Madison, are among the 116 students at Illinois State Normal University in Normal to whom special recognition will be given during the 20th annual Scholastic Honors Day Convocation scheduled for May 9.

Students to be honored represent the 3% of the undergraduate student body having the highest point averages.

Inhalator May Be Bought For West Granite Station

Purchase of an inhalator for the West Granite fire station was requested during Monday night's council session by Fifth Ward Alderman Walter Nenn.

He also asked for the staff at the station to be increased from two to three men.

The request is to be considered by the Fire and Water committee in preparing a fire department budget for the 1961-62 fiscal year.

Nenn pointed out that trains often delay the arrival of emergency vehicles, and that an inhalator should be carried at all times on the station's fire truck.

He asked the committee to consider the assignment of a third man to the West Granite fire crew. The station now has two men on duty.

Club Told of Gideon Society Bible Gifts

Origin and activities of the Gideon Society, which has distributed millions of Bibles, were explained by Hugh Foster in an address to the Granite City Rotary club Tuesday.

A Granite City man, who is a teacher in the Edwardsville school system.

Foster related that the society places Bibles in hotel and motel rooms and also gives them to penitentiary inmates, hospital patients and nurses and school students. He was introduced by Charles Reimers, Glenn Abnerth was program chairman.

Eleven members attended the meeting. The local club will be host to a district meeting Monday at the Officers Club.

"Place The Face" Contest Of Shields Music Underway

A "Place The Face" contest is underway here, sponsored by Sunny Shields Music studio, 1306a 19th street. Winner will receive ten free lessons on guitar or accordion.

The prize includes complete lesson material, services of a teacher and at the end of the course a talent evaluation test. Instructions for entries appear in an advertisement elsewhere in this issue.

Suffers Eyelid Cut Bruce Cato, seven-year old son of Mr. and Mrs. James Cato, 3883 Forest avenue, sustained a one-inch laceration on his lower eyelid when he fell at his home Monday. Five stitches were taken at St. Elizabeth Hospital at 6:30 p.m. and he was released.

Dr. Leo Coleman Named Toastmaster Of The Week

"Definition of a Dentist," a talk by Dr. Leo Coleman, won the toastmaster of the week award at a meeting Monday of the Granite City Toastmaster Club at the Engineer Depot Officers club.

Second speaker was Charles Withers, who spoke on "Bass Fishing." Toastmaster was Herman Greve; best critic, Marvin Dean; and general evaluator, Dr. Claude Hiles.

Eleven members attended the meeting. The local club will be host to a district meeting Monday at the Officers Club.

"Place The Face" Contest Of Shields Music Underway

Woman Who Fell On Sidewalk To Sue City

A notice of intent to file a suit against the city for injuries sustained in a downtown sidewalk fall last Dec. 20, was read to the Granite City Council Monday night and was referred to the city attorney.

The notice was for Christine Bauer, 2433 Dewey avenue, who is seeking an unspecified amount for personal injuries and loss of wages as a result of the fall in the 1300 block of 19th street.

She said she was walking on the north side of the street and stepped into a hole in the sidewalk between the 1335-37 addresses. In the fall she injured her right side and arm, the notice from an East St. Louis lawyer stated.

VERNON ERNST, teller of First Granite City National Bank, who won award for high grades in banking course.

Local Teller Wins Top Banking Award

Vernon Ernst, First Granite City National Bank teller, has received an American Institute of Banking award for maintaining the highest scholastic average in achieving the group's Standard Certificate.

Sponsored by the Past Presidents Club, St. Louis chapter, the award was an engraved desk pen set.

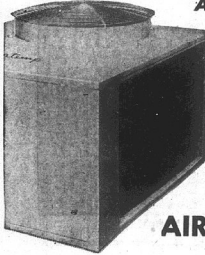

To achieve the certificate, eight courses were necessary. They included various banking subjects, commercial law, economics, business administration and accounting.

Starting the course in 1956, Ernst was among 23 employees of the local bank enrolled in the past semester. He resides with his wife, Irma, and their four children in Edwardsville, and is the son of Albert G. Ernst, president of the Bank of Hamilton.

Nash To Assume Role As Youth Governor

Warren E. Nash, Granite City high school senior, will step into the role as "youth governor" during the 12th annual youth and government program Friday and Saturday at the statehouse in Springfield.

Gov. Otto Kerner will open the two-day junior legislative session with an address before the house and senate. More than 350 members of Illinois YMCAs are to participate in the program.

Nash, first local lad to serve as "youth executive," was elected in the prelegislature session at Springfield on Feb. 25. He is the son of Mr. and Mrs. Elwood Nash, 2414 Madison avenue.

Students taking part will occupy desks and chairs of their adult counterparts, and will act as senators, representatives, and cabinet members. Teenage reporters will form the press corps while other youths act as pages.

Legislation prepared for months by the teenage lawmakers will be submitted, debated and voted on, and legislation will be enacted.

Serving as senators from Granite City will be Nancy Bischoff, Lynne Hastings, Carol LaMacchia and Pat Whitcomb.

Representatives include Walter Mathis, Carol Murphy, Carolyn Cernikovich, Sandra Cole.

Local Jehovah's Witnesses To Attend Convention

The Granite City congregation of Jehovah's Witnesses has been invited to join with 16 other congregations of Illinois Circuit Six in a convention to be held in Greenville May 18-21, according to an announcement today by the presiding minister, Francis H. Clanton, 2036A Cleveland blvd., who has just returned from South Lansing, N.Y., where he attended a four-week advanced course in the Christian ministry at the Watchtower Kingdom Ministry School.

The presiding ministers of the congregations throughout the country are being called in classes of 100 to take extension courses in field ministry, congregation management, Kingdom teachings and Bible requirements for ministers.

"The expansion of our Bible educational work keeps increasing the need for qualified ministers," Clanton said. "During 1960 congregations of Jehovah's Witnesses increased at the rate of three each day, on an average throughout the year. The program at the convention in Greenville will include special features directed toward building up qualifications and increasing the abilities of ministers and Bible teachers."

man, Pamela Dyer, Ruth Justice, Gene Sine, Marilyn Murrie, Nancy Rickett, Judy Rollins, Joan Singleton, Dora Sternberg and Linda Vesel.

Pages include Ronald Randall, head page in the senate; and Judy Karandjeff, house page. Nash is the only local member of the cabinet.

Education Association To Hear W. J. Goreham

Wilfred J. Goreham will speak on legislation of interest to teachers at a general meeting of the Granite City Education Association, to be held at 4 p.m. Monday in Room 205 of the senior high school.

Goreham, a past-president of the Illinois Education Association and former superintendent of schools in Siftell, Ill., is administrative associate to Irving Pierson of the Illinois Education Association staff at Springfield.

All teachers, whether they are members of the local association or not, are invited to hear him and to take part in the question and answer period which will follow his talk.

At an executive board meeting of the local association last Monday Miss Louise Dexheimer, president, and Miss Lucille Coulter, vice-president, reported information gathered at a recent meeting for officers held in Alton.

Plans were discussed for the association's activities for the school year, 1961-62. The following officers and committee chairmen attended the board meeting: Mrs. Ann W. McIntyre, Mrs. Ruth Densford, Miss Lucy Parrish, Miss Hazel Towery, Mrs. Marie Klein, Miss Jane Elkins, Miss Mary Alice Regenhart, Mrs. Wilma Trtanj, Miss Gelane Timpak, Miss Rosemary Kaburek, Miss Lucinda Hark, Miss Marguerite Barker, Ed Bodnam, Harold Briggs, Dale Rea, Paul Wach, Leland J. Bartley, and Misses Dexheimer and Coulter.

The local legislators will be joined by youths from 33 YMCAs in Chicago and throughout the state. The trip to the state capitol is being sponsored by H. D. Karandjeff, Pat and Don Mega, directors of peace activities at the YMCA, will accompany the delegates.

Nash's Of Nash's Selection

Nash, who plans to study commercial art in college, was chosen as governor on the basis of civic achievement.

During his third semester in high school, he served on the student council, and is master counselor of the senior division Granite City Chapter of the DeMolays. He has been a senior steward, senior counselor of the group and has been a member of the Royal Order of Knights of hood.

A candidate for the "Representative DeMolay" award, the highest individual achievement mark, Nash was co-chairman of decorations for the senior banquet.

His activities at the YMCA include being a member of the Tri-Hi-Y Club, of which he is a past president. He also has been vice-president, chaplain and secretary-treasurer.

During his sophomore year, Nash served as page, and in junior year he was sergeant-at-arms of the senate.

Optimists See Films On Football, Ocean Scenes

Films on football and underwater scenes were presented during the Twilight Optimist Club meeting Monday at the Big Top Bowl banquet room. Seventeen members attended.

Ken Gray, St. Louis grid tackle who is employed by the bowling establishment, showed filmed highlights of the Big Red in action during the 1960 season and answered questions following the movie. He also gave a brief talk on the team's 1961 prospects.

"Underwater Holiday," the second film, depicted scenes in color photographed by a skin diver on the ocean floor and showed deep sea fishing action.

It was announced in the business session of a nominating committee to select a slate of new officers. An election will be held at the May 8 session at the Engineer Depot Officers Club. At that meeting a movie and speech will be presented by a local attorney on the Granite City tax structure.

George England was named chairman of a nominating committee to select a slate of new officers. An election will be held at the May 8 session at the Engineer Depot Officers Club. At that meeting a movie and speech will be presented by a local attorney on the Granite City tax structure.

Mitchell Kiwanis Club Nets \$285 From Pancake Supper

The Mitchell Kiwanis Club netted \$285 from the pancake and sausage supper held April 15, it was announced at Monday evening's meeting at Smith Cafe. Eleven members were present.

Proceeds will be used to help sponsor local Khoury League baseball teams.

The meeting was an inter-club exchange with Granite City Kiwanians, and the Mitchell group was presented with an expectant mother rabbit.

The animal was passed on to the Kirkwood, Mo., club Tuesday night in another inter-club meeting. The club having the rabbit in its possession when young ones are born will be assessed a 10-cent cost per member for each of the litter. Six to twelve young usually compose the litter.

Funds from the promotion will go into a national spastic paralysis fund.

Vandals Smash 22 Windows With Beer Cans

Granite City police were notified Monday afternoon by the manager of the Hubbell Metal Co., 1101 Sixteenth street, that 22 windows in a building at that address had been broken.

The investigating officers said the vandals were broken with beer cans.

Timing Of Action Will Affect Cost Of Creating Horseshoe Lake Park

If a state park and game refuge is to be established at Horseshoe Lake, action must be taken before this area's residential and industrial growth endangers the plan by boosting land costs. For this reason, state officials and legislators may find it wise to consider approving the \$3,504,350 park proposal despite the current financial squeeze at Springfield.

The state has committed itself to the project with a \$100,000 grant — one-fourth of an initial \$400,000 allocation for land acquisition and preliminary engineering surveys. The need has been cited by the Horseshoe Lake Area Study Commission and by Illinois Department of Conservation officials. But the park development will remain a long way from reality until a substantial appropriation is approved and made available.

Not only this area but the entire state stands to benefit from the improvements that are proposed for over 2000 acres of lake surface and more than 5000 acres of land surrounding it. Illinois' attractiveness from the standpoint of recreation, wildlife maintenance and natural beauty would be greatly enhanced and the expenditure would pay ample dividends to the public for many years to come.

A Horseshoe Lake park — largest of its type in the state — could serve as a monument to the far-sightedness of public leaders who acted while there is still time.

Monsignor Costello Closely Linked With This Community For 39 Years

Elevation of Right Reverend Monsignor Michael Costello to that title and the rank of Domestic Prelate is a signal honor for him, local parishioners and the entire community. While richly deserved by the recipient, the action taken by Pope John XXIII also takes into account the Quad-Cities' increased population and stature, and the response by its residents to church needs.

Rt. Rev. Magr. Costello's career has been closely linked to the people of this area's greatest growth. Coming to St. Elizabeth's at Mitchell 39 years ago, he has served continuously as pastor of Sacred Heart since aiding in the creation of that parish in 1924. Both parishes have shown rapid expansion, with the accomplishments at Sacred Heart including construction of a new church three years ago and the current building of a second elementary school.

Investment with the purple robes of the church will be especially fitting, occurring a year before the golden anniversary of his ordination as a Catholic priest. The community extends fond congratulations on attainment of this high rank to both Rev. Costello and Rev. Fred W. Klesner of St. James Church, Decatur, pastor of St. Mark's in Venice from 1938 to 1952, who also was elevated to monsignor.

Area Should Not Have To Finance Scouting For Other Counties

The move to create a five-county Girl Scout Council reflects a commendable desire to increase and broaden the scouting opportunities available to local members. We only hope that it does not place a disproportionate financial burden on the Quad-Cities, as has sometimes happened in other ventures embracing a large area.

More full-time professional leadership, enlarged outdoor programs and greater economy through consolidation of facilities are expected to be the major gains. In deciding whether to proceed, it will be important for the council board to determine whether the other participating areas plan to bear their fair share of the council expenses on a per capita basis.

Woman Free On Bond

Jackie C. Delongchamp, 18, of 2119 Delmar avenue, who was arrested Monday afternoon on complaints filed by Mildred Cum-

ber charging her with profanity and creating a disturbance, is to appear for a hearing next Tuesday before Police Magistrate Gasparovic. She is free on property bond.

Recreation, Meeting Halls Planned In Madison, Venice

Expansion of community meeting and recreation facilities at public housing projects in Madison and Venice should prove valuable to both cities. Current plans of the Madison County Housing Authority indicate that a series of such improvements here and in Collinsville and Alton can be carried out for about \$120,000, to be financed from federal funds.

A new 1370-square-foot structure to serve the Lee Wright and Viola Jones homes and expanded quarters for the Grenier and Garechre projects will make possible enlarged activity programs for both youngsters and the elderly, as well as providing accommodations for a wide variety of meetings and gatherings.

Honest Voting Fundamental To Maintaining Free Society

Vote fraud is neither a petty nor inevitable crime. Because it attacks the very roots of a free society, it should be fought diligently by the public, election officers and governmental officials.

The Chicago area is of interest to the entire state because of its major and often decisive effect on elections. Thus, it is of widespread concern that sufficient irregularities have been found in last November's balloting to result in citing of 662 poll judges and workers to show cause why they should not be held in contempt. The questions involve miscounts, suspect voters, unqualified voters and improper influence, assistance and instructions to voters.

We do not think all of the fraudulent voting in the United States last fall took place in Chicago. But it is important to both parties and all citizens that it be punished and stamped out wherever found. It is fundamental that when voting is not conducted properly, the majority's wishes do not prevail.

The problem of living is to find time for the things that we would like to do if we had the time.

Differences Between Congress, Presidency Healthy In Long Run

Congress was intended to have a mind of its own and not be a "rubber stamp" to the presidency despite patronage, other pressures and political party friendship. In this regard, it is interesting to note that Cong. Melvin Price, highly critical of the past administration's nuclear, rocket and plane progress, also is critical of the new administration.

Chairman of the Joint Congressional Atomic Energy Subcommittee on Research, the local official notes that the atomic rocket offers a chance for the U. S. to "leapfrog the Russians in space" but that its first flight will be delayed a year by current budget cuts, despite experiments showing that the rocket is feasible.

Long an advocate of a nuclear airplane, Price blames its death this year on President Kennedy's Scientific Advisory Committee. Now he and his colleagues fear the same committee is responsible for cutbacks in the nuclear rocket project.

Merits of the proposals are difficult for the layman to determine, and the competition for budget funds obviously is fierce. Without being able to say who is right, it is good to know that members of Congress still are willing to take a stand contrary to their party leaders, giving first priority to the interests of the public as they see them. From such differences of opinion, good government usually results, regardless of which party happens to be in power.

Three of a kind — golfers, fishermen and proud parents.

STORK SHOWER

Mrs. Marilyn Cottrell was complimented with a stork shower given by Mrs. Twila McClelland and Mrs. Shirley Washer at the McClelland home, 2928 Warren avenue, Sunday afternoon.

The decorations were in pink and blue. A stork centered the table, and baby storks were used as favors. Games were played, with prizes awarded.

Refreshments were served to Miss Mary Ann Luebert and Mesdames Irma Arnold, Ruby Clausen, Sadie Cottrell, Roberta Cottrell, Carol Cottrell, Emma Bode, Beverly Drennan, Pat Johnessee and daughter, Debbie Laveada Knobbe, Ola Cottrell, Jewel Lemaster, Loretta Worthington, Katherine Kullenkamp, Mary Anna Thomas, Helen Gieselmann, Jessie Friedlied, DeLores Conner, Mae Butler, Sis Bishop and Darwin Mueller. The honoree received many gifts.

Mr. and Mrs. Harry Dowdy and children John, William and Elizabeth Ann, were dinner guests Sunday evening at the home of Mr. and Mrs. Lee Arnold of South drive.

Mr. and Mrs. James Hodshire, 3829 B street, returned home Sunday after spending the weekend at Ava, Ill., visiting his father, Oscar Hodshire.

Fined \$70 On 2 Counts

William Arnold, 55, of Alton, who was arrested Tuesday afternoon at the Salvation Army headquarters, was fined \$70 and costs yesterday when he pleaded guilty to charges of drunkenness and creating a disturbance.

Realtors Stress Service As National Week Is Observed

The increasingly important professional services of realtors to persons buying and selling real estate is being highlighted this week during National Realtor Week by the Granite City Real Estate Board, Sam Wolf, president announced this week.

We hope this week to impress upon the public's mind that a realtor is more than just any real estate broker, Wolf said. "Being a member of the local real estate board and the National Association of Real Estate Boards, the local realtor meets the requirements of these groups for demonstrated competence and business ethics before receiving the right to be designated a realtor."

Specific plans for the observance this week, designed to acquaint the public with the advantages of buying or selling real property through the services of a realtor, are the responsibility of the board's Realtor Week committee headed by Francis E. Judd and Richard Kostoff.

Real estate activity this spring is expected to be greater than it has been in the past months because of this natural revival of interest and because of recent developments which have eased the mortgage market," Wolf said.

He pointed out that Federal Housing Administration-insured mortgage interest rates were cut from 5 1/2% to 5% in early February, and that a campaign is underway by the government for a lowering of interest rates on conventional home mortgages.

Miss Schlobohm To Be Installed On Sunday

Miss Norma Schlobohm, a commissioned church worker, will be formally installed to the post of religious education at First United Presbyterian Church, 22nd street and Delmar avenue, at 7:30 p. m.

Rev. Charles Hindman of Springfield, Ill., associate field director of Christian education, will deliver the sermon and Rev. Manley Mace, of the First Presbyterian Church in Wood River, chairman of the Christian education committee of the Alton Presbytery, will give the charge to the congregation.

Richard Eccles, moderator of the Alton Presbytery will preside and there will be music by three of the church choirs, the Girl Chorists, the Chancel and the Chancel Choir, who are singing "All Hail The Power of Jesus Christ." They will be directed by Mrs. John McCabe Moore. Kenneth MacClatchey will preside at the organ and Rev. David B. Maxton will pronounce the benediction.

Following the installation ceremony, a reception for the church members and guests will be held in the fellowship hall sponsored by the United Presby-

tery. "As professionals in their field, realtors can be of tremendous service to home buyers by helping them obtain the best loan terms available in our area," Wolf said. "Realtors keep up-to-date on all national and local developments concerning real estate and are able to offer expert financing advice to their clients."

"Realtors know that the purchase or sale of real estate, particularly a home, is probably the most important single transaction in which most persons ever engage. We want the public to know that realtors can help them in such a transaction with the highest standards of professional competence and ethics."

"Realtors can save time for a person wanting to buy a house by showing properties that meet his needs from a selected list of homes the realtor has available at all times."

"Not all real estate brokers are realtors," Wolf stressed. "A realtor is a person engaged in real estate who is a member of our local board of realtors and who is an individual member of the NAREB. A realtor is pledged to abide by NAREB's strict code of ethics, which defines the rules of conduct he must follow in his relationship with the public, his clients and other realtors."

The local president said NAREB membership is extended to brokers who have demonstrated their competence and adherence to ethical practices in addition to passing state license examinations.

Mercers, Hearts Can Help Each Other With Victories In Inter-City League Sunday

At this early stage of the season, first-place positions are not at all sure signs of championship calibre ball clubs, but Mercer Funeral Home and Granite City Sacred Heart, tied for the leads in their respective divisions would like to keep those positions through Sept. 10.

Oddly enough, how each of the two local teams fare Sunday will have a direct effect on the well-being of the other.

Mercer and White City are tied for the top spot in the Blue division, while the Hearts and Moose Lodge of East St. Louis are deadlocked at 1-0 in the Red loop.

Mercer will host the Moose club Sunday at 2:30 p.m. in Wilson Park, marking the first home appearance of the season for the defending league champions.

And the Hearts can assure Mercers of at least something in a tie for first place in the Blue division by defeating White City, year's McMacin Buick team.

INTER-CITY STANDINGS

BLUE DIVISION			
Team	W	L	GB
MERCER	1	0	
White City	1	0

will play another East St. Louis entry, McAteer Glass, at Jones Park. The Glasmen have no record as yet, since they were rained out of a scheduled contest with Maryville last Sunday.

The Red Sox, meanwhile, will travel to Peachotas Sunday to play the Braves, only team in the 10-club league which played last week but failed to dent the plate.

Troy's Redbirds and Carpenter, both D-1, will tangle at Carpenter in the game which rounds out Sunday's full schedule. All contests begin at 2:30 p.m.

Shells Thump Madison 11-0; Trojans Held To One Hit

"We're just not getting word on the ball," bemoaned Madison high school baseball Coach Earl McClanahan after his Trojans had been limited to one hit in Roxana Monday, where they were beaten 11-0 by the Midwestern conference leaders.

McClanahan is considering some lineup changes for this afternoon's conference game in Bethalto as Madison attempts to climb back to the 500 plateau in the MVC. The Trojans are currently 2-3 in the loop and 2-6 overall.

Finding difficulty on Madison's part also contributed to the Shells' seventh straight conference victory. The Trojans committed seven mistakes, resulting in six unearned runs for the winners.

Three of the bobbles came in the opening frame and led to a 2-0 Roxana lead. However, the Shells tallied four earned runs in the third on five hits, all of them coming with two out. Jim Pruitt's base-loaded double was the big blow.

Madison's only hit off winner Charles Gallickard was a first-inning single by Catcher Dick Kisser. Gallickard recorded his second straight shutout victory in the abbreviated six-inning contest, and had given up four hits in his last 12 innings of work.

He struck out 11 Madison batters Monday, including the side in the sixth inning, and walked no one.

Dan Trevis started for Madison and was touched for seven hits and seven runs, four of them unearned, in four innings. The Shells added two runs off reliever Jerry Graklanoff, who worked the fifth, and they scored twice in the sixth off Madison's third hurler, Mick Gravelle.

Madison is scheduled at home against Cahokia at 4 p.m. Friday, and travels to Cahokia Monday in the wrap-up game of the regular season.

Collinsville Clips

Chiefs Monday, 9-6

Both clubs scored five earned runs, but Collinsville junior high school took advantage of seven errors by the Prather JHS club to score a 9-6 baseball win over the Chiefs at Wilson Park Monday afternoon.

Prather trailed 7-0 at the end of four innings, but came back with a single marker in the fifth and four more in the sixth. Richard Lee cracked out a bases-loaded double with two out in the sixth to put the Chiefs in contention. Lee was thrown out at third base to end the inning.

Mickey Redmond went all the way for Collinsville and was the winner, giving up four hits. Larry Frame started for Prather and took the loss. Benjie Smith and Ron Hull worked in relief, with Ed Canada and Jim Nelson dividing catching chores for the Chiefs.

Madison's only hit off winner Charles Gallickard was a first-inning single by Catcher Dick Kisser. Gallickard recorded his second straight shutout victory in the abbreviated six-inning contest, and had given up four hits in his last 12 innings of work.

He struck out 11 Madison batters Monday, including the side in the sixth inning, and walked no one.

Dan Trevis started for Madison and was touched for seven hits and seven runs, four of them unearned, in four innings. The Shells added two runs off reliever Jerry Graklanoff, who worked the fifth, and they scored twice in the sixth off Madison's third hurler, Mick Gravelle.

Micro Group Plans Dance, Will Host State Race

Pending the arrival of German-built engines for a number of re-designed racing machines, the Chain of Rocks Micro-Mid-Mountain Racing Association plans to open its third season Sunday at 2 p.m. on the speedway, located on Ely-Paris 66 between the Chain of Rocks canal and river bridges.

Pete Peterson, an official of the association, said the group will stage a fund-raising dance tomorrow night at the Venetian American Legion Club out on Broadway in Venice as a pre-race highlight.

Proceeds from the dance will go toward payment for trophies to be awarded here on June 24 when the association hosts the Illinois Micro-Mid-Mountain championship races.

At Friday's dance, which will begin at 9 p.m., quarter-mid-micro-mid-mountain, a super-modified stock car and a track modified will be on display. An orchestra will furnish music for dancing.

Peterson said tentative plans to relocate the racing site are being made by the association, and that the transfer, if made, will be completed before the state championship races, the first to be held here.

School Boy Patrol Members To Attend Cardinal Contest

A total of 135 members of the school safety patrol from the Granite City district will attend a "School Safety Patrol Day at the Ballgame" in St. Louis on Friday, May 6, according to George P. Marsh, president of the Automobile Club of Missouri.

They will include patrol members from Emerson, St. Joseph, Sacred Heart, Maryville, McKinley, Niedringhaus, St. Elizabeth and Marshall schools.

Patrol members will be admitted free of charge to the Cardinals' game at Busch Stadium, in groups accompanied by adult supervisors. They will be honored during special pre-game ceremonies in recognition of duties performed here during the school year.

2-Hour Parking Zones On Washington Avenue

Two-hour parking zones at two extremities of Washington avenue were approved Monday night by Granite City council members. The limit is to be placed on both sides of the street in the 2000 block and a two hour zone is to be established along the north side of the 3000 block, extending from Nemo road for a distance of 175 feet.

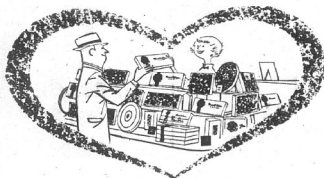

Also adopted was a resolution for installation of a fire hydrant at 2900 East 25th street, and permission was granted Colonial Baking Co. of Alton to distribute samples house-to-house.

A motion to buy 300 feet of 2½-inch fire hose for sewer cleaning operations of the street was withdrawn when it was pointed out that new hose is bought only for the fire department, which then gives its old hose to the street department. The purchase price would have been \$555.

\$4 Million Local Buying During January

Local buying began the new year at a \$4,074,151 monthly rate, statistics for January disclosed this week. This was well below the \$8,365,877 level for December and also less than the January 1960 tally of \$4,483,031.

Only bright spots in the January-January comparison were purchasing at eating and drinking places, up from \$462,611 to \$466,158; at furniture, household goods and radio stores, up from \$167,269 to \$174,825; and at gasoline filling stations, up from \$300,876 to \$311,382.

Other factors in the \$4,074,151 rate for January 1961 were food buying, \$1,404,489; purchasing reported by wholesalers and manufacturers, \$441,087; automotive buying, \$425,874; general merchandise, \$228,803; apparel, \$160,887; lumber, building and hardware supplies, \$139,214; and all other, \$231,428.

\$5,200,000 in GC
Buying of \$5,200,045 was reported by 487 stores in Granite City; \$614,262 by 154 firms in Madison; \$208,816 by 84 Venice businesses; and \$50,028 by nine Mitchell establishments.

A breakdown of the purchasing by cities follows:
Granite City — \$187,693 general, \$113,320 food, \$310,285 drinking and eating, \$156,785 apparel, \$113,216 furniture, \$93,977 hardware, \$384,094 automotive, \$234,552 stations, \$579,038 manufacturers and \$166,061 other.

Madison, Venice, Mitchell, Madison — \$37,372 general, \$266,707 food, \$99,906 drinking and eating, \$4102 apparel, \$18,414 furniture, \$42,772 hardware, \$6015 automotive, \$33,196 stations, \$45,724 manufacturers and \$60,051 other.
Venice — \$3739 general, \$91,353 food, \$50,000 drinking and eating, \$194 furniture, \$2464 hardware, \$8772 automotive, \$28,738 stations, \$16,232 manufacturers and \$5315 other.
Mitchell — \$2107 food, \$5960 drinking and eating, \$26,963 automotive, \$14,853 stations and 472 manufacturers.

Gas Truck Motor Blaze
A short in wiring touched off a small blaze around the motor of a gasoline truck at 9:05 a.m. Tuesday at 20th and Adams street causing an estimated \$25 damage. Main station firemen reported electrical wiring and a battery cables were destroyed. The truck is owned by Ben Livingston, 2623 Adams street.

Auto-Truck Accident

Involved in an accident Monday at 19th street and Cleveland blvd. were an auto driven west on 19th street by James T. Harris, 20, of 2860 Adams street, and a truck operated east on 19th street by Walter Martin Zahndt, 45, of St. Louis. No injuries were listed. There was damage to the left front of the auto and the left rear fender on the truck.

Fines Collected in GC

During March Total \$1541

Fines assessed and collected in Granite City during March amounted to \$1541, according to a monthly report submitted to the council Monday night by Police Magistrate Andrew Gasparovic Jr.

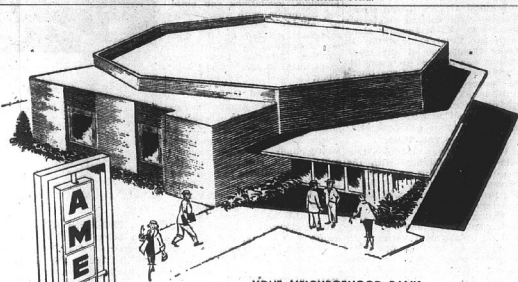

Included was \$1091 collected for 95 ordinance violations and \$450 for 19 other law infractions.

Celotex Plant Transfer To Johns-Manville Saturday

Transfer of the local Celotex Corp. plant to the Johns-Manville Corp. will take place effective Saturday, it was announced this week by officials of both firms.

Located at 1226 Bissell street, the roofing materials plant was sold in January along with two Celotex facilities in Ohio. Completion of the transaction was delayed to learn the reaction of the U. S. Department of Justice.

No major changes in operation or personnel of the plant are contemplated, and A. W. Buehner is to remain as manager.

Conferring This Week

Representatives of Johns-Manville are conferring with the plant's officials this week. It will become a part of the J-M Building Products Division, with headquarters in New York.

The mill produces roofing materials in shingle and roll form, and its employment varies from about 70 to 100. In operation here for many years, it was known formerly as the Barber Asphalt Co.

Headed by Clinton B. Burnett, president since 1959, Johns-Manville is a 103-year-old diversified

firm owned by 30,000 stockholders and employing 22,000 persons at four mines and 42 plants.

It is the world's largest asbestos producer and a leader in the manufacture of industrial products, insulations and building materials, with yearly sales of almost \$400,000,000. Raw materials utilized by the firm are diatomite, perlite, rubber, plastics, asbestos fiber, fiber glass, mineral fiber and wood fiber.

Plan Mixed Carloads

Sale of the asphalt roofing plants here and in Cleveland, Ohio, and a dry felt mill at Avery, Ohio, was announced jointly Jan. 19, when Burnett said present customers of the plants will continue to be served. He said the purchase will enable J-M to provide better service to its building products customers in the Midwest through "mixed carloads and faster shipments over shorter distances."

"No change in the product line is contemplated now. Production and roofing sales employees of these plants who join Johns-Manville will be eligible for the same benefits as other Johns-Manville employees," he reported.

The action was taken by Celotex to enable it to concentrate more effort on its main product lines, including insulation board, acoustical materials and gypsum, plus expansion into other building industry fields.

Crash On Madison Ave.

Traveling south in the 1400 block of Madison avenue about 9:45 a.m. Tuesday, Pauline A. Sutton, 39, of Box 53, Nankin Station, lost control of her auto when it skidded on wet street car tracks and crashed into the rear of a parked car. Police said the bumper on the parked car was damaged. It had no license plate and ownership was not determined.

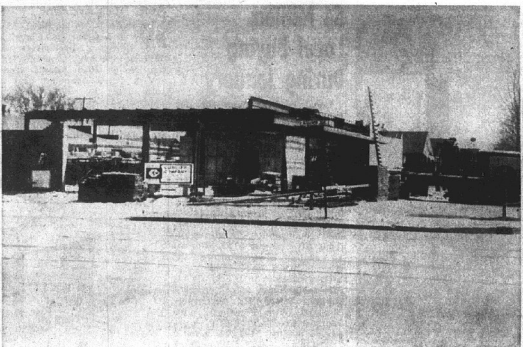

There's a reason — good luck always comes to the man who uses common sense and is industrious.

PROGRESS OF BANK CONSTRUCTION In Madison is shown as part of the brick wall was going up. This view reveals the steel framework and the concrete vault near the rear. Located at Sixth street and Madison avenue, the structure is due for completion this summer, replacing the present First National Bank in Madison building two blocks south. Cracks visible in the street are to be eliminated — Madison avenue in Madison is to be widened and resurfaced during the summer.

WEEKEND GUESTS

Mr. and Mrs. John Pyles of Rhodes street had as weekend guests their son and daughter-in-law, Mr. and Mrs. Henry Pyles and daughter, Sandy, of Joliet, Ill.

Mr. and Mrs. George Stagg, 209 East 24th street, have received word from Rev. and Mrs. Philip Raiford of Carey, Ohio, of the birth of a son April 4. The baby weighed 10 pounds, 15 ounces, and has been named William Randolph. The Raifords are former residents of this area.

Mr. and Mrs. Carl Cucchi and daughter, Tonya Sue, of Rhode avenue spent the weekend in Pinckneyville, Ill., visiting relatives.

Faces Two Charges

A hearing has been set for next Wednesday by Police Magistrate Sparrow for Leon Sam, 28, of 847 Niedringhaus avenue, who was arrested Monday on complaints by Sim Bogosian charging disorderly conduct and assault and battery. Sam is free on \$32 cash bail.

City Wants Extra Fee

Alderman Estill Von Schmitt criticized the suggestion, saying that the city now does not pay a fee for the sales. "We get the entire \$3 from each license and that's what it is for."

SPEND WEEKEND AT CAMP SUNNEN

Boy Scout Troop 12 sponsored by the Niedringhaus PTA, spent the weekend camping at Camp Sunnen in Potosi, Mo.

The scouts were accompanied by their scoutmaster, Fred Hacke, assistant scoutmaster, John Matras, and commissioner, Dr. Stanley Maer.

The scouts were John Matras, Charles Hacke, Peter Marr, John Kozak, Tim Aerns, John Voyles, Ronnie Legate, Jeff Parnely, Larry Dennis, Louis Dragonich, Mark Dufer, George Blotsgood, Joe Henry, Emory Ackerman, Bud Moran, John Hommer, Louis Mehl, Steve Conway, Robert Paoli, Bernie Yevin, Bill Anderson, Rich Paoli, Ed Mathis, Elvin Hoekstra, Bruce Thompson, Bill Hill, Mike Jenne and Bill Fulcher.

SCUBA DIVERS HUNT FOR DIVING AREAS

Mr. and Mrs. Jene Seals of St. Jacob, Ill., were host to several local "scuba" divers over the weekend. Much of the time was spent scouring the countryside hunting suitable diving areas.

Those in the party from Granite City included Arthur J. Eversden and son, John, Mr. and Mrs. Louis Brown and Fred Law and son, Douglas. Areas investigated were those around Highland, St. Jacob and Pocahontas.

A dream come true!

It's the fabulous **delray** in natural American Walnut...

Delray is a completely charming high style modern ensemble with clean, crisp, uncluttered lines. And what a delight to the eye with those large, rectangular wood pulls in vertical concave columns on the face of each tier of drawers! The tall legs are gracefully tapered and case tops are surfaced with matching high pressure laminated plastic for mar-resistant long life. See Delray now — You'll love it!

THREE PIECE SUITE only — \$219.00
Large Double Bed, Spacious 5-drawer Chest and Panel Bed.

Delray is so delightfully easy to care for and so easy to own

Every piece, every lovely line, expresses quality and master craftsmanship. A wide choice of pieces is available. A unique feature is the panel headboard with slightly curved ends to match the drawer pulls; and the reclining position to make sitting up in bed more comfortable. The framed mirror may be tilted for extra convenience.

40 Soloists, 14 Ensembles In State Grade Band Contest

State contest instrumental music performances by 40 soloists and 14 ensembles from Quad-City schools will be judged Saturday at Mount Vernon. In addition, the Madison grade school band will compete at Mount Vernon on Saturday, May 13.

The contest is being arranged by Mount Vernon Supt. J. L. Buford and sponsored by the Southern Division of the Illinois Grade School Band Association. The entrants qualified by earning first ratings in district competition at Staunton March 11. Largest group of ensembles, seven, will be sent to Mount Vernon by Madison junior high school.

They are a saxophone trio, Linda Gall, Willie Bek and Janet Moore; mellophone quartet, Barbara Shanks, Olivia Hamilton, Vera Sabo and Marianna Flak; baritone quartet, Nola Barham, Tommy Williams, Don Kelley and Stephen Shoop; drum quartet, Joann Jackson, Judy Cross, Tommy Ashford and

Pamela Dierkes; flute quartet, Jill Hamilton, Gail Stagner, Carol Davis and Carol Chapman; clarinet quartet, Sharon Dutton, Joann Maeras, Joyce Vandermark and Sheila Obranovich; and a clarinet trio, Linda Rash, Janet Derner and Robert Robbins.

Madison Soloists
The Madison school will send 11 soloists: clarinet, Linda Rash, Robert Robbins, Trudy Puckett, Janet Derner and Joann Maeras; mellophone, horn, Barbara Shanks; Cindy Cross, oboe; baritone, Marianna Flak; saxophone, Leslie Sabo; and piano, Susan Michaels and Leslie Hulse.

Attending from Venice grade school will be two ensembles — a brass quartet, Lee Gosterman, Russell Turner, Roddy Bauder and Eddie Johnson, and a brass quintet, Margaret Taylor, Barbara Manier, Mary Jane Gray, Jackie Kampman and John Hackney — plus seven soloists, Kathy Yearman, oboe; Grace Hogan, clarinet; Mary Jane Gray, French horn; Eddie Johnson, baritone; Mike Seags, tuba; Richard Essington, alto saxophone; and Roger Schaffner, tenor saxophone.

Prather Entrants
Entrants from Prather junior high school will include 14 soloists — clarinet, Ruth Baumann, Sheila Gibbs, Judy Belshe, Gloria Caban, Barbara Lacerwell, Cheryl Jung and Sandra Hansen; flute, Laura Jensen and Linda Melchior; alto saxophone, Marilyn Shepard; cornet, Gerald McKenna; baritone horn, Bud Travis; and trombone, Mike Laster and Neil Lampe.

Prather ensembles competing will be a brass sextet, Eddie Canada, Gerald McKenna, Janet Reader, Mike Laster, Kent Pottillo and Bob Burkett; trombone quartet, Larry Reader, Larry Wise, Benjie Smith and Larry Rice; clarinet quartet, Gloria Caban, Ruth Baumann, Barbara Lacerwell and Kathy Derner; and mixed clarinet quartet, Sandra

Students To Perform In Recital Friday
A recital will be given by vocal, organ and piano students of St. Jewel Everett at 7:30 p.m. Friday in First Baptist Church, 21st street and Delmar avenue.

Participating will be Mark Magner, Billy Mae Smith, Laura Little, Janice Shankel, Beth Wittengravel, Linda Beadle, Janice, Elaine Frank, Claire Evange-lauff, Robert James, Larry Frasier, Michael Fry, Ruth Ann Diak, Linda Buford, Betty Inman, Brenda Lane, Debbie Wallace, Raymond Heath, Tessa Beck, Phillip Cruise, Sandra Grayson, Sharon Cruise, David Smith, Cynthia Boyer, Tom Crabtree, Jim LeGrand, Faye Baker, Diane McGovern, Linda

Masque And Gavel Group On Tour Of New York

Twenty-eight members of the Masque and Gavel honorary speech group of Granite City Tuesday evening for tour to Philadelphia enroute home. The group, composed of seniors, was accompanied by Miss Mary Blackburn, school speech instructor and Wayne Hubbard, English teacher.

They left by bus at 1 p.m. Monday and are to return between 4 p.m. and 4:30 p.m. Sunday. Their tour also includes Philadelphia enroute home. While at New York, tours are to be made of the Provincetown landing, Empire State building, Rockefeller Center, the National Broadcasting System, and United Nations building. At Philadelphia, a tour will be conducted at Independence Hall and the home of Betty Ross. They will stop for dinner at nearby Valley Forge. Included in the itinerary are attendance at Broadway plays such as "The Unsinkable Molly Brown" and "The Miracle Worker," along with "The Rhinoceros."

The group will stage a program at three New York high schools, and will take a cruise on the Hudson River. Making the trip are Ruth Blake, Patricia Barylyak, Susan Busch, Carlene Butler, Mary Christian, George Cochran, Peggy Craig, Donald Cross, Kar-

Attend Funeral
Mr. and Mrs. A. E. Cahill and their daughter, Hazel, of Edwardsville road, have returned

from Fairfield, Ill., where they attended the funeral Tuesday of Mrs. George Kays, a sister of Mrs. Cahill.

GC Council Defers Annexation of Cloverview Eight

Final approval of the annexing and platting of Cloverview Eight was deferred Monday night by Granite City council members after several additional questions were raised in order sections of the subdivision.

During a 20-minute debate, several aldermen pointed out the new addition—27 lots located on the south side of Pontoon road—would be adequately drained, and both city subdivision and city engineers had told the city's Board of Local Improvements that the new development would not hamper drainage in other areas of the subdivision on the north side of Pontoon road.

Edward Daves, retiring eighth ward alderman, strongly opposed the presentation of the new addition for acceptance by the city, and he called upon a resident of an older section of the subdivision to speak to the council.

Property Owner Speaks
The property owner said a slight rain would inundate the street and that the only drainage was a small ditch, a foot wide and a foot deep. He added that about the only solution to the drainage problems would be installation of a pumping station.

Daves said residents of the area were not satisfied with drainage facilities and do not want to run the risk of having any possible drainage flow blocked by further development in the area.

Joining the discussion, the other eighth ward alderman, Frank Vesel, said several meetings have been held between the city and the subdividers. "That's why I had this place on first reading last week, so further study could be made. Daves told me before tonight's meeting that he didn't even go out there."

Meetings Continue
Vesel said the meetings would continue, and he stressed there would be adequate drainage for the 27 dwellings to be built along the south side of the roadway. "This is merely delaying progress,"

Daves replied, "After the homes are built, it will be too late to do anything."

Answering Daves, Alderman Vesel said the subdivider has agreed to any undertaking which might be suggested by engineers to drain the low places at Spaulding and Vesel avenues.

The annexation and plat ordinance were submitted for adoption, but Alderman Daves and Baserich requested deferment until the next meeting and the ordinance was halted by Mayor Davis.

Newly-elected aldermen are to take office next Monday evening—the first council session in the new fiscal year.

Gaughan Named To Vacant Assistant Supervisor Post

Robert O. Gaughan, Second Ward alderman whose term expires next Monday, was named Granite City township assistant supervisor to fill the two-year unexpired term of Nelson Hagman, newly-elected township supervisor.

A resolution naming Gaughan to the office was adopted Monday night without giving an opportunity for nominations from the floor. Action on the resolution was deferred at last week's meeting.

However, the appointment was not without debate as Alderman Charles Meyer challenged the "cut and dried" method in which a resolution was introduced last week without giving an opportunity for nominations from the floor. Action on the resolution was deferred at last week's meeting.

Points To Procedure
Meyer said in his 14 years as an alderman all office vacancies had been filled through nominations made on the council floor and by a resolution passed in advance and submitted without knowledge of council members.

In view of Meyer's stand, Alderman Samuel Whitmer, who had introduced the resolution last week and was preparing to resubmit it Monday night, withdrew his motion for its adoption. Alderman Walter Nann refused to withdraw his second, but after further argument by Meyer, agreed to withdraw.

Whitmer nominated Gaughan, and Meyer nominated Carl Baserich, explaining Rosch had run for the office in the April election and ran third, behind the two assistants.

Meyer was supported by Alderman Donald Partney, who remarked that it would be appropriate to select Rosch since he actually had run for the office, while Gaughan had not. Gaughan was defeated April 4 in his bid for reelection as Second Ward alderman.

Baserich objected to Partney's opinion. "When you run for office, you take what's coming to you; and if you lose, you lose. I'll vote for the man I know."

State Cigaret Tax Up Penny A Pack Starting Monday

A one-cent package increase in the Illinois cigarette tax will become effective on Monday, May 1, the Illinois Department of Revenue announced today.

This will raise the Illinois cigarette tax to four cents from three cents a package. Revenue Department officials said.

The increase was approved as an emergency measure by the state legislature in December, 1960, to raise an additional \$2,000,000 for the purpose of collecting payment of Korean bonus claims.

May Continue Indefinitely
Although the rate increase is under the new law, supposed to terminate at the end of the month in which \$2,000,000 is collected, it is expected that the four-cent package will be kept in effect indefinitely.

In his budget message to the General Assembly, Gov. Kerner indicated that he will seek a permanent penny a pack increase to provide between \$10 million and \$14 million annually for general revenue purposes.

All licensed distributors and retailers of cigarettes must take an inventory at the close of business on April 30 and pay the additional tax to the Department of Revenue.

Retailers must report and pay the additional tax by May 10. Licensed distributors must make the additional payment to the department with their regular April returns, which are due May 15.

No Area Draft Call For April, None Set For May

The Madison county selective service board at Edwardsville reported this week it has received no draft quotas for April and none has been received for May.

An official said it was likely quotas would be set for next month for drafting of men from the three local areas in the county.

Strikes Parked Auto

The front of the northbound auto of Army Pvt. Richard Plummer, 28, Fort Leonard Wood, Mo., struck the rear bumper of the parked car of Hazel Rodriguez, 522 Grand avenue, in front of 1122 Madison avenue, Madison, at 7:37 p.m. Monday.

Pvt. Plummer said the brakes on his car failed and he ran against the curb in an effort to halt the vehicle.

Drive carefully and watch the other fellow—that way you have a chance of living until 1962.

SIU Group Offers Aid In Achieving County Zoning

A Southern Illinois University-Edwardsville Committee, meeting Monday with the Zoning and Subdivision Control Committee of the Madison county Board of Supervisors, offered its help in achieving a county zoning and land use program.

Responding to the offer, County Board Chairman Gus Haller said the group can "give us moral support and publicity" in bringing the zoning proposal to a successful completion.

Alton May, chairman of the county board's zoning committee, said the committee hopes to schedule hearings in 22 of the county's 24 townships in May and June. Hearings are not necessary in Alton and Granite City where city and township boundaries coincide. County zoning would affect only unincorporated areas, and the proposal is expected to be submitted to the board for adoption this summer.

May said they will be formal hearings, with sworn testimony. Haller will report to the county board, or a city or court reporter.

He said there is a problem of finding "money to employ a clerk to take the minutes."

He commented that \$19,000 is budgeted for a building inspection program but the fund "has never been touched." Possibility of sharing building code and zoning offices for purposes of economy has been discussed.

Attending besides Haller and May were William G. Straube, member of the Zoning and Subdivision Control Committee, and committee Lyle Willard, Albert H. Paul, George L. Moorman Jr., Loren Jung, Mrs. William H. Rohrkaste and H. Bruce Brubaker.

Zoning regulates use of land to conform with established patterns. Its purpose is to protect property values and to encourage orderly growth of residential and business sections.

Williams Named To Office In National Credit Union

Bill P. Williams of Granite City was elected an alternate director of the Credit Union National Association at the recent state convention of the Illinois Credit Union League. In the absence of a director, he will represent Illinois on the board of directors of the world-wide association comprising 25,000 credit unions with 12 million members.

Active in the credit union movement for 16 years, Williams is treasurer and general manager of the Granite City Steel Employees' Federal Credit Union.

Williams also represents the Southern Illinois Chapter of Credit Unions on the board of the League, a state-wide association representing 1560 credit unions with 800,000 saving and borrowing members. He resides with his wife, Anna Lorraine, at 2878 Idaho street.

Five New Middle-Of-Block Street Lights Approved

Installation of five additional middle-of-the-block street lights was approved Monday night with the adoption of a resolution by the Granite City council. The resolution is to be forwarded to Illinois Power Co.

Locations listed were 2021, 2120 and 2220 Ohio avenue, 2316 Delmar avenue and 2431 Illinois avenue.

Tulane basketball coach Cliff Wells is in his 45th season as a court mentor. This is his 15th at the New Orleans school.

make your first stop a REALTOR®

when planning to buy a house

Home ownership makes good sense—both in terms of a financial investment and your family's future happiness and security.

To make sure you buy the right house for you, make the first stop on your house-hunting tour a Realtor®. He knows local conditions and prices and homes that are available. And he's pledged to use his knowledge and experience on your behalf, carrying you from your first visit to a house through settlement.

Not every real estate agent is a Realtor®. Only a Realtor® can display this seal, the emblem of the National Association of Real Estate Boards. This means he has passed the rigid requirements of the Association and his local real estate board.

And it means that integrity is the keystone of his business.

CARD OF THANKS

WE WISH TO EXTEND our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and beautiful floral offerings received from our many friends in our bereavement in the loss of our beloved mother and sister, MRS. LOTTIE BELL. Special thanks to Rev. and Mrs. Harrison, Davis Funeral Home, SONS AND DAUGHTER SISTERS AND BROTHER.

IN MEMORIAM

In memory of my husband MELVIN F. HOLMES, who passed away April 30, 1961. A happy home we once enjoyed. How sweet the memory still. The death has left a loneliness. The world can never fill. Sadly missed by WIFE.

LEGAL NOTICES

LEGAL NOTICE

Notice is hereby given to adjoining landowners, residents and other interested parties that pursuant to a petition by Community Heights Faith Tabernacle, that the Board of Zoning Appeals will hold a public hearing on the 13th day of May, A. D. 1961, at 10:00 a. m. in the City Hall, Conference Room, Granite City, Illinois, for the purpose of considering a decision of the Building Inspector of the City of Granite City effecting the following described property, to-wit:

Lot Number One (1) in Block Number Six (6) in COMMUNITY HEIGHTS ADDITION to Granite City, situated in the City of Granite City, County of Madison and State of Illinois.

Woman Motorist Fined \$100 On Two Charges

Fines totaling \$100 were imposed yesterday on Eva H. Mortensen, 57, of Rural Route One, whose auto struck two other cars parked in the 2300 and 2400 blocks of Washington avenue about 7:10 p.m. Tuesday.

She was fined \$50 and costs on each charge of driving while under the influence of liquor and leaving the scene of an accident upon pleading guilty before Police Magistrate Gasparovic.

Police said she was driving south when her auto struck the parked car of Earl Knobloch, 49, of 2145 East 24th street,

Arrest Follows Injury

Gerald Sorenson, 1319 Iowa street, Madison, was charged Tuesday with assault and battery in a complaint signed by his wife, Fay, 25, after she was treated at St. Elizabeth Hospital for an apparent fracture of the nose, Sorenson allegedly struck her at 10:20 a.m. Tuesday during an argument at their home police said. He was released on bond pending a hearing in 30 days.

He was arrested after being parked in the 2400 block, and of Harold Duckworth of Caseyville parked in the 2300 block.

Girl, 12, Hurt in Fall

Through Large Window

A junior high school girl who fell through a 9x10-foot plate glass window in the Bellefonte Village shopping center arcade suffered only a minor scratch to her right leg about 7:45 a.m. Wednesday.

The girl, Cheryl Wilson, 12, daughter of Mr. and Mrs. Forest Wilson, 2507 Grand avenue, was pulled from the broken glass just seconds before a large section of the glass fell, cutting a

She had been playing tag with another girl when the mishap occurred. She taken home by Alderman Emerald Dawes, at whose larger shop in the arcade the window was smashed. The girl did not require emergency care at the hospital.

Freak Crash Damages Car, Plant Fence, Post

A freak mishap caused the left side of the auto of Chester Kingsbury, 39, of 1128 Douglas street to collide with a Celestex Corp. fence adjacent to Klein street at 3 p.m. Tuesday. He was charged by Venice police with having no driver's license and was released on bond until a hearing Saturday.

Kingsbury was driving north on Klein with the accelerator pedal became jammed. As he was attempting to free the pedal, the rear tire blew out, causing the car to skid and damage a fence post and a 40-foot section of the fence, he related. The left side, headlight and rear tire were damaged.

Goodyear's Sensational "Inner Spare" That Lets You Forget About Flats!

CAPTIVE-AIR STEEL-CORD

3-T NYLONS

When you buy "Blue Circle"

3-T NYLONS

Never before such an offer! For the next ten days we are offering our Captive-Air tire at a special low price... and equipping them, for half what you would normally pay, with Goodyear's amazing Captive-Air, Safety Shields. This offer can save you up to 44 dollars!

Here's what you get...

You get spares inside your tires! If your tires are punctured, or otherwise damaged, the Safety Shields immediately support your car, letting you drive at reasonable speed to a service station—even 100 miles, if necessary.

Only the air in the outer chambers escapes. Reserve air in the nylon-and-steel "inner spare" supports your car safely.

TRIPLE GUARANTEE on this Combination Safety Offer!

ON THE SHIELD ON THE TIRE

We guarantee if your Custom Spare-Cushion with Safety Shield goes flat, we will...

1. Pay for your road service.
2. Replace the Shield at no cost.
3. Give you full allowance for unused tread wear if your tire is damaged.

Road Hazard Guarantee—All new Goodyear Automobile tires are guaranteed by written certificate against normal Road Hazards—i.e., blowouts, fabric breaks, cuts—except repairable punctures. Guarantee limited to original owner for number of months specified.

Lifetime Guarantee—All Goodyear tires are guaranteed against any defects in workmanship and material without limit as to time or mileage. Any Goodyear dealer will repair without charge or make allowance on a new tire based on original tread depth remaining and current "Goodyear Price".
